## Appendix A: Officer Reports

### A.1 Chair

- Thank you to CD2, CD8, and CD11 for allowing me to attend their conventions in April and May and congratulations to all the newly elected boards. Please see reports from each CD chair for results.
- Dave Crance was nominated yesterday to run in the 13<sup>th</sup> Delegate District for the 2023 election. That brings us to only three candidates statewide that I am aware of.; Michael Bartley and Dean Davidson are the other two. If anyone else is running for office, please let me know so I can include them on the list.
- I sent the link for the video of the zoom meeting I had with Johnathan Celestin from My Balbo. Please watch it in the next few days and give your input on using this as a promotional tool.

### A.2 Vice Chair

- I assisted with scheduling the 11<sup>th</sup> Congressional District Convention, scheduled for May 20, 2023 at the Fairfax City Library.
- The applications I received for the LPVA representative on the national Platform Committee have been provided to the committee. I'm hopeful that we can select our representative and alternate(s) at this meeting.
- The applications for the LPVA Constitution Committee have been provided to the committee. There are currently four applications and I'd like to have at least five members on the committee.
- My wife and I met some members of the Virginia Independent Consumers and Farmers Association while at an event at Polyface Farms. They might be a good organization to work with in the future, their mission statement is "Promoting and preserving unregulated direct farmer-to-consumer trade that fosters availability of locally grown or home-produced food products." <https://vicfa.org/>

### A.3 Secretary

- Minutes for 22 April 2023 In-Person SCC meeting were drafted and are up for approval this meeting.
- Ongoing organization efforts
- I am running my own master list for members of both LPVA and LP and tracking monthly statistics for numbers up and down.
- Cleaning up the CRM and seeing if its possible we can add CD data to it so we can send bulk emails from the CRM (pending)
- File Repository: GitHub allows for free file repository with unlimited projects

- **Still need the information on tax status and points of contact for our existing affiliates!**
- [ClickUp Project Management](#) for managing tasks and due-outs (will discuss with others about alternatives, this is one I know is great, but is \$5/user/mo at 15 users, would be \$720/year)
- Zoho as a Tool to get us on a mostly one-package system
- [Zoho Meetings](#) (\$84/year – Zoom currently \$180)

### C.1 Updated Delegate Selection:

#### **§05. CONVENTION RULES**

##### §05.02 SPECIAL RULES FOR REGULAR STATE CONVENTIONS

§05.02.01 Delegates shall be selected at a Regular State Convention using approval voting. Members may cast no more votes than is equal to one-fourth (1/4) of the delegate positions allocated to the Party, rounding up any decimals. Members may not allocate more than one (1) of their votes to a single individual.

The Party members seeking to be a delegate shall be rank ordered by most votes to least votes. The Party member with the most votes shall be named a delegate, followed by the members in rank order until all delegate positions allocated to the Party have been filled.

§05.02.02 Party members seeking to be a delegate who are not named a delegate shall be named an alternate, until the number of alternates allocated to the Party has been filled or there are no members remaining who wish to be alternates. Alternates shall be assigned in rank order according to their position in the rank order set previously, beginning with the highest ranked member not named a delegate. In the event any delegate is unable to take part in any vote of the delegates of the Party, the alternate of the highest rank who is present for the vote and not already participating in the vote may cast a vote in place of the absent delegate.

§05.02.03 If there exists a tie in the number of votes received and either the number of tied members seeking to be delegates exceeds the remaining delegate allocation or the tied members are being assigned alternate positions, the convention chair shall draw the names of the tied members at random. The first member drawn shall be assigned the highest unoccupied seat, either delegate or next ranked alternate, in the delegation until either all tied members have been assigned seats in the delegation or the entire delegation has been filled.

§05.02.04 The voting results, as well as the results of any breaking of ties, shall be recorded in the convention minutes.

§05.02.05 The SCC shall make no changes to §05.02.01, §05.02.02, §05.02.03, §05.02.04, or §05.02.05 either within 180 days prior to the national Libertarian Party convention or within 60 days prior to a Regular Convention of the Party.

### C.2 Overhaul Local Committee Rules

§04.03 Local committees (hereinafter referred to as “affiliates”) are the county and city affiliates of the Party. Party members in contiguous counties and cities may band together for the purpose of forming an affiliate. The Party Secretary shall keep a record of all recognized affiliates and shall be responsible for providing this record to his or her successor.

§04.03.01 An affiliate shall be recognized by the Party when, upon petition to the Party Secretary for recognition, it demonstrates:

- 1) that a petition making clear the intent to organize is signed by at least three members of the Party who are residents of the county or city to be affiliated;
- 2) that it has adopted written rules for its governance;

- 3) that it has elected such officers as are required by the adopted rules; and
- 4) the financial structure of the proposed affiliate, should one exist, is compliant with all applicable laws.

The SCC may deny affiliation within 90 days of the receipt of a valid petition with a two-thirds (2/3) vote of the entire SCC.

§04.03.02 Affiliation may be revoked at any time for cause with a majority vote of the entire SCC. Cause shall include and be limited to:

- 1) a failure to provide the Secretary with a list of members of the affiliates governing board and the positions these members hold within sixty days of an affiliate convention;
- 2) a failure to provide the Secretary with updated affiliate governing document(s) within sixty days of an affiliate convention where changes to these governing documents were made; or
- 3) a failure to adhere to the bylaws of the national Libertarian Party, the constitution of the Party, this document, or the affiliate's own governing document(s).

§04.03.03 If Party members in a subset of the cities and counties of an approved affiliate wish to separate and form a new affiliate then each resultant subgroup must meet the requirements to form a new affiliate. Additionally at least one of the following must be occur:

- 1) The affiliate governing documents provide a procedure for separation and this procedure has been followed;
- 2) The Party members residing in each proposed subgroup approve the separation by majority vote, provided that the affiliate governing documents do not contain any procedure for separation and the vote is held at a convention called in accordance with the governing documents of the original affiliate; or
- 3) The SCC approves a unilateral separation by a majority vote of the entire SCC.

The assets and liabilities of the original affiliate shall be apportioned to the new affiliates according to the number of Party members in each, unless both new affiliates approve an alternative arrangement by separate majority votes of the members of each affiliate.

§04.03.04 The chairs, or an individual designated by a majority vote of each affiliate's governing board, of all officially recognized affiliates shall elect a member of the Party as the chair of an SCC standing committee, the Affiliate Support Committee.

The votes of each affiliate chair or affiliate designee shall be counted in proportion to the number of Party members within the affiliate divided by the number of Party members within all recognized affiliates.

In the absence of such an election, the SCC shall select the acting chair of the committee until such a chair has been elected.
