

MEETING SUMMARY August 2, 2022

- Date and Time:** Tuesday, 2 August 2022 at 5:30pm Mountain time
- Where:** Online: Zoom
- Committee Attendees:** Caryn Ann Harlos, Joe Dehn, Ed Fochler, James Gholsten, Andrew Kolstee
- Other Attendees:** Samuel Bohler, Nathan Madden

The meeting was called to order at 5:33pm Mountain time.

Records of Past Meetings: The minutes of the 19 July meeting were approved without objection.

LNC Meeting: Caryn Ann reported that because of the recent LNC meeting she has not had a chance to work in the storage unit recently, but she has continued work on categories. She reported that she was able to raise \$40 for us that weekend, net of expenses. She reported that the National Chair mentioned LPedia in her report and was encouraging of its use. Caryn Ann did demos as part of her report. The next LNC meeting is 5-6 November, in Austin.

Site Statistics: Ed reported that traffic has been declining somewhat; we are still seeing searches for the presidential campaign, and there were recently some searches for Martha Bueno.

Committee Membership Interviews: The committee heard from, and had an opportunity to ask questions of, Samuel Bohler, from Alabama.

New York: Andrew reported that the state convention is coming up, and that a former state Secretary has some videos from the conventions during the period 2003-2007.

Video Archiving: Caryn Ann reported that the contents of our YouTube channel are now being mirrored on "Odysee".

Button Images: There was a discussion of the images in the article about buttons; James said that some of them appear to be of his reproductions, rather than the actual original buttons. Caryn Ann said she believed all the images were scans from physical buttons. Joe said he thinks images of reproductions can be useful to include, e.g., if we don't have a suitable original, but they should be marked as such.

The next meeting is scheduled for 16 August 2022.

The meeting was adjourned at 6:34pm Mountain time.
