

MEETING SUMMARY July 5, 2022

- Date and Time:** Tuesday, 5 July 2022 at 5:30pm Mountain time
- Where:** Online: Zoom
- Committee Attendees:** Caryn Ann Harlos, Joe Dehn, Ed Fochler, James Gholsten, Andrew Kolstee (arrived near the end of the meeting)
- Other Attendees:** none

The meeting was called to order at 5:41pm Mountain time.

Records of Past Meetings: The minutes of the 20 June meeting were approved without objection.

Physical Storage: Caryn Ann reported that she has been down to the storage room and that there is still some reorganizing that needs to be done following up from the move.

Site Statistics: Ed reported that traffic is still up since the convention. The fraction from China seems lower, but some of that is still showing up in both Google Analytics and AWStats. The search results metric (links shown) is more than double what it was before the convention. It was suggested that this could be the result of people learning about LPedia and using it to look up information about both the candidates for party office and the history of the Platform (because of the changes made).

Committee Membership: Caryn Ann reported that three applications have been received so far, and that they all now have LPedia accounts. She will forward the applications to the rest of the committee, and invite them and any others that may come in, up to a total of 5, to attend a meeting. (If there turn out to be more than 5 we will discuss how to handle that at the next meeting.)

The next meeting is scheduled for 19 July 2022. Caryn Ann said she will try to have a draft of her report for the upcoming LNC meeting available by then.

The meeting was adjourned at 6:00pm Mountain time.
