## PARTY HISTORICAL PRESERVATION COMMITTEE

MEETING SUMMARY March 4, 2020

**Date and Time:** Wednesday, 4 March 2020 at 4:00pm Mountain time

**Where:** Online: Zoom

**Committee Attendees:** Joe Dehn, James Gholston, Ed Fochler

**Other Attendees:** none

The meeting was called to order at 4:23pm Mountain time.

**Records of Past Meetings:** The minutes of the 19 February meeting were approved.

**General LPedia:** Joe reported that he had done a bit of reformatting of the home page to move the links to the most popular pages to a more prominent position.

**Site Statistics:** Ed reported that traffic is now running at about 200 users per day, plus a big bump on "Super Tuesday". The 2020 presidential candidates article continues to get the most traffic, and most traffic is still coming from Google searches. He is starting to include file statistics in his report, and will look into getting some past numbers from backups. (Current figures from the home page: 3975 articles, 4636 uploads, 23 active users, 11 administrators.)

**Featured Article:** Joe reported that he switched it twice since the last meeting, first to the California 2020 convention then the LP of Colorado. He hopes to maintain a faster schedule of switching from here on.

**Personal Collections:** The topic of "Don Parrish" was listed on the agenda but the members present were not able to determine to what issue/action this might refer.

**Vicki Kirkland Material:** Joe reported that he had discussed this with Caryn Ann before her trip to Florida, but he had heard nothing since about any examination of or action relating to this material.

**National Convention:** There was discussion of the possibility of bringing new things to display from either the storage unit or our personal collections. We still

have not heard if the convention committee will be providing us with a table; alternatives discussed were obtaining a physical table some other way and putting it somewhere or displaying things on the wall. Ed still plans to bring a computer and scanner.

**Future Meetings:** The next meeting is scheduled for 18 March 2020.

The meeting was adjourned at about 4:46pm Mountain time.
