## **POLICY MANUAL OVERVIEW AND INTRODUCTION**

An organization is subject to public law and such other rules it adopts to govern its operation. The rules governing the Libertarian National Committee, Inc. are as follows and supersede each other in the order listed:

- **Corporate Charter:** The legal instrument conforming to state and federal laws. The Libertarian National Committee, Inc. is incorporated in the District of Columbia and is subject to its laws.
- **Bylaws:** Prescribe how the organization shall function. They may not be suspended, except for clauses that provide for their own suspension or clauses clearly in the nature of rules of order.
- **Special Rules of Order:** Relate to rules for orderly transaction of business that differ from those contained in the adopted parliamentary authority.
- **Rules of Order:** Relate to orderly transaction of business. These are usually contained in the adopted parliamentary authority, which in our case is the current edition (12<sup>th</sup>) of *Robert's Rules of Order Newly Revised* (RONR).
- **Standing Rules:** Relate to details of administration. They are adopted as the need arises. Special categories of standing rules include:
  - Enduring Staff Orders—orders to staff by the LNC; and
  - Enduring Executive Orders—orders to staff by the Chair.

This policy manual is a compilation of the rules governing the Libertarian National Committee, Inc. not already reflected in its corporate charter, bylaws, or rules of order.

## **TERMS AND DEFINITIONS**

“Renewal Period” for an individual is the period commencing with the first membership renewal appeal sent to that individual until the receipt of a contribution sufficient to extend that individual’s benefits lapse date.

“Reserve” is calculated as the total cash balance less the sum of :

- restricted funds,

## **Article I. SPECIAL RULES OF ORDER**

Special rules of order are rules for orderly transaction of business (i.e., relating to parliamentary procedure) that differ from those contained in the adopted parliamentary authority. They are superseded only by the bylaws, the corporate charter, and any applicable procedural rule prescribed by federal, state, or local law, unless the rules in such documents specifically provide for their own suspension.

A special rule of order may be adopted, amended, rescinded, or suspended. Adoption, amendment, or rescission requires (a) a two-thirds (2/3) vote with previous notice, or (b) a vote of a majority of the entire membership of the LNC. Suspension requires a two-thirds (2/3) vote of the LNC. Rules that have their application outside of the session which is in progress cannot be suspended but can be rescinded or amended.<sup>2</sup>

Notwithstanding, the LNC reserves the right to exercise its authority through electronic mail ballots.<sup>5</sup>

**4) Document Maintenance**

The Secretary shall maintain a complete copy of this policy manual.

The Secretary is authorized to propose corrections to formatting, spelling, grammar, capitalization, punctuation, article and section designations, cross-references, and such other technical and conforming changes as may be necessary to the policy manual, provided such changes would have no effect on the meaning of the adopted Terms, Definitions, Rules, and Orders.

The Secretary may propose adding or amending annotations in the form of endnotes and introductory language to provide relevant references to authoritative statutes, the Party's corporate charter and bylaws, the parliamentary authority, and explanations as to how special rules of order differ from the parliamentary authority.

The Secretary shall promptly submit such proposals to the LNC, along with any written opinions provided by the Party's parliamentarian. These proposals shall be considered to be adopted thirty (30) days thereafter or upon the close of the next LNC meeting, whichever is sooner. The LNC may veto such proposals by majority vote prior to adoption.

The LNC reserves the right to also propose and adopt non-substantive, as well as substantive, changes.<sup>6</sup>

**5) Executive Sessions**<sup>12</sup>

The LNC or any committee may enter into Executive Session only in compliance with this special rule of order.<sup>13</sup>

The motion to enter Executive Session must list all reasons for doing so from among the following:<sup>14</sup>

- Personnel matters
- Contractual negotiations

A majority of the committee members voting is required for passage.

No action can be taken while in Executive Session.<sup>15</sup> Discussion of action which may be taken in Open Session can occur.<sup>16</sup>

No recording shall be made or minutes taken except for the topics of political strategy or contractual negotiations; however, such recordings and minutes shall only be made available to members of the LNC until such time as the LNC—by a two-thirds (2/3) vote—incorporates such recordings and minutes into its public records. Nothing in this section shall require the LNC to ever make these records public.

Recordings shall be made and minutes shall be taken on any other topic. Immediately upon return to Open Session, the LNC may by a majority vote order its destruction or—by a two-thirds (2/3) vote—incorporate such recordings and minutes into its public records. Nothing in this section shall require the LNC to ever make these records public.<sup>17</sup>

Any member who is unwilling to commit to maintaining confidentiality regarding any particular Executive Session is obligated to excuse themselves from the entire Executive Session and to request that the Secretary note their absence from the Executive Session in the minutes of the meeting.<sup>18</sup>

## Libertarian National Committee - Policy Manual

### Special Rules of Order

---

A participant in an Executive Session may publicly disclose information discussed in Executive Session, if the same information is publicly available from other sources, not as the result of a participant's misconduct, and the participant does not reveal that it was discussed in Executive Session;<sup>19</sup> or the LNC, and all the participants in the Executive Session,<sup>20</sup> first consent to its release.

#### **6) Meeting Minutes**

In addition to the requirements articulated by RONR, the meeting minutes shall include the following:

- Any disclosure of a conflict of interest by an LNC Member shall be noted in the minutes of the subsequent LNC meeting, or in an attached report thereto, citing the individual and pertinent details needed to identify the conflict of interest.<sup>21</sup>
- Copies of reports submitted for review as appendices.
- The following aspects of each mail ballot conducted since the prior meeting and reported by the Secretary at that meeting:
  - the complete text of the motion,
  - the names of the co-sponsors,
  - the dates of the initiation and completion of the balloting, and
  - the roll of those voting on the motion.<sup>22</sup>

This requirement may be satisfied by including this information in the Secretary's Report appended to the minutes.

- Complete text of all motions made with notations of any vote counts for rising votes or votes by show of hands announced by the Chair.<sup>23</sup>

Meeting minutes for LNC electronic meetings or face-to-face meetings involving travel to a single site may be promoted from draft status to official during the time between LNC meetings as follows:<sup>24</sup>

- Draft minutes shall be mailed or emailed to all LNC Members not more than twenty (20) days after each meeting.
- Corrections, clarifications, and changes to the draft minutes may be submitted for the Secretary's consideration for a period of fifteen (15) days following the distribution of the draft minutes. The Secretary shall distribute an updated version of the draft minutes not later than seven (7) days following the end of that submission period. If no changes are distributed during that period, the minutes shall be promoted from draft to final.

## Libertarian National Committee - Policy Manual

### Special Rules of Order

---

- The updated version shall be deemed official if no LNC Member challenges the content to the Secretary within seven (7) days of the distribution of the updated version. Any additional changes will be made by the Secretary within two (2) days and distributed for an additional seven (7) day review period. This process shall repeat until there are no challenges or the next regular LNC meeting, whichever comes first.<sup>25</sup>
- These auto-approval provisions are void if the Secretary fails to distribute the draft minutes of a meeting within twenty (20) days after that meeting or fails to distribute updated versions as described above.
- The Secretary shall send an official copy of meeting minutes to staff within seven (7) days of the promotion of those minutes from draft to official status for posting on the Party website and shall provide a final copy to all LNC members.

Meeting minutes for Executive Committee meetings may be promoted from draft status to official during the time between Executive Committee meetings as follows:

- Draft minutes for Executive Committee meetings shall be emailed to all LNC Members not more than seven (7) days after each meeting.<sup>26</sup>
- Absent objection from an Executive Committee member who attended the meeting, the minutes shall be deemed to be approved fourteen (14) days after their distribution.<sup>27</sup>
- Executive Committee minutes shall be distributed to all LNC Members and alternates within seven (7) days of such approval.
- The Secretary shall send an official copy of meeting minutes to staff within seven (7) days of the promotion of those minutes from draft to official status for posting on the Party website and shall provide a final copy to all LNC members.

If the minutes are not submitted through the auto-approval process previously described, and if the next regular meeting will occur in sixty (60) days or more, then minutes must be presented for approval no later than thirty (30) days prior to the next regular meeting.

If the minutes are not submitted through the auto-approval process previously described, and if the next regular meeting will occur in less than sixty (60) days, then minutes must be presented for approval no later than sixty (60) days prior to the second (2nd) next regular meeting.

### **7) Electronic Meetings**

- a) The term “electronic meeting” within these electronic meeting rules shall be construed to include teleconferences and videoconferences.

## Libertarian National Committee - Policy Manual

### Special Rules of Order

---

- b) The term “committee” within these electronic meeting rules shall be construed to include both the LNC (as the board of the Libertarian Party) as well as committees.
- c) All videoconferences will be conducted via the Adobe Connect (Citrix) service or via Zoom (zoom.us). These services are hereinafter referred to as Electronic Meeting Provider(s).
- d) Electronic meetings may be called by either:
- The committee Chair, or
  - One-third (1/3) of the committee members or two (2) committee members, whichever is greater.
- However, the call of an electronic meeting can be canceled if a majority of the committee members email a cancellation request to the entire committee prior to the scheduled time of the meeting.
- e) Each committee member calling for an electronic meeting must do so by emailing the entire committee and specifying the date of the meeting, time of the meeting, meeting link including the identity of the Electronic Meeting Provider, and the topic(s) to be addressed. Meetings must be so called no fewer than two (2) days in advance for committees with fewer than ten (10) members, or five (5) days in advance for committees with ten (10) or more members. These time limits do not apply to the LNC's Executive Committee, the LNC's Advertising and Publications Review Committee, or the Judicial Committee.
- f) For electronic LNC meetings, messages calling or vetoing a meeting must be sent on the LNC-Business email list.
- g) When a sufficient number of people have issued a call for an electronic meeting, the committee Chair or Secretary shall issue a notice of the meeting to each member and alternate of the committee. In addition to the standard notice content, the meeting notice shall describe how to participate in the meeting.
- h) Each participant must provide their own equipment and connectivity, including but not limited to any computer, internet access, web camera, microphone, earphones, or telephone. Members and alternates have the right to participate in an electronic meeting by telephone, however they should use a computer connection if feasible so as to be able to more fully use the Electronic Meeting Provider features. The organization is not responsible for providing a central location for physical attendance of an electronic meeting. For regular meetings, electronic participation is not allowed.
- i) Each participant must accurately identify themselves by name when joining the meeting. Videoconference participants other than members or alternates of the committee must precede their sign-in name with “zz” (or the group administrator shall do so) so as to group them at the end of the alphabetical participant list.

**Libertarian National Committee - Policy Manual**  
**Special Rules of Order**

---

- j) Electronic meeting participants must try to eliminate, as much as possible, background noise, echoes, and call waiting interruptions. Participants shall not place their telephone connection on hold if the system has music or messages playing while in that mode.
- k) All participants legally consent to having the meetings recorded, should the committee opt to do so.
- l) Electronic meetings are special meetings such that only the topics listed in the call of the meeting may be considered during the meeting.
- m) For original main motions, the committee Chair or Secretary shall document the time at which the vote tally was announced. A person eligible to vote who was present during the debate of the motion but who lost their connection to the meeting may still reconnect to the meeting and cast their vote on the motion no more than five (5) minutes after the announcement of the vote tally.
- n) If the committee permits, participants other than members or alternates of the committee may observe videoconferences using the Electronic Meeting Provider (and not by a toll-free number) with their web cameras off and their microphones muted.
- o) The LNC Secretary shall promulgate these rules to all members/alternates of each committee upon notice of their election or appointment.
- p) Arrangements for use of the Electronic Meeting Providers must be made through the LNC Secretary who may be required to be present to administer the meeting which might limit available days for use.

Notification of an electronic mail ballot shall be made by the Secretary by electronic mail within three (3) days of the question being submitted by the Chair or cosponsored by a sufficient number of LNC members. This notification shall not include an accompanying argument for or against passage of the motion. An LNC Member may change their vote on an electronic mail ballot, provided that the change is received by the Secretary by the deadline for return of ballots.

In the event that a Regional Representative votes abstain, that Regional Alternate's vote shall not be counted.

**Section 1.05 OTHER SPECIAL APPROVAL  
PROCEDURES**

**1) Budget**

The budget may be amended at any time by a majority vote of the LNC.<sup>34</sup> However, the Executive Committee is authorized to amend expense items within one budget area, as long as the total expense for that budget area is not increased.<sup>35</sup>

The Chair, with the consent of the Executive Committee, is authorized to make the following budget adjustments without LNC approval:<sup>36</sup>

- Addition of lines for previously unbudgeted expenses, the total of which shall not exceed one-percent (1%) of budgeted revenues
- An increase in a line for budgeted expense provided there is a corresponding reduction from the contingency fund.

The Chair, without the consent of the Executive Committee, is authorized to expend up to \$1,000 in discretionary funds within any (rolling) three (3) month period, the total of which shall not exceed \$5,000 per term unless those expenditures are later ratified by the LNC.<sup>37</sup>

**2) Honorary Life Memberships**

## **Article II. STANDING RULES**

Standing rules relate to details of administration. They are superseded only by the parliamentary authority, special rules of order, bylaws, the corporate charter and any applicable procedural rule prescribed by federal, state, or local law, unless the rules in such documents specifically provide for their own suspension.

A standing rule may be adopted, amended, rescinded, or suspended. Adoption requires a majority vote. Amendment or rescission requires (a) a majority vote with previous notice, (b) without notice a two-thirds (2/3) vote, or (c) a majority of the entire membership of the LNC. Suspension requires a majority vote of the LNC, but rules which have their application outside of the session which is in progress cannot be suspended.<sup>39</sup>

**Section 2.01 OBLIGATIONS AMONG BOARD  
MEMBERS AND STAFF**

**1) Confidentiality**

The officers, employees, agents, and members of the LNC shall not be personally liable for any debt, liability, or obligation of the Party, unless caused by their breach of confidentiality.

**2) Conflict of Interest**

Each LNC Member and each Party officer or employee shall disclose to the LNC situations in which such person's own economic or other interests, or duties to others, might conflict with the interests of the Party in the discharge of their duties. Any such disclosure shall be made at the earliest opportune moment, prior to the discharge of such duties and clearly set forth the details of the conflict of interest, in a written disclosure statement provided to the Secretary. No LNC member, Party officer, or employee shall: (a) transact business with the Party unless the transaction is fair and equitable to the Party; or (b) use information gained in the discharge of Party duties to the disadvantage of the Party.

The Secretary shall maintain a register of all declared potential conflicts of interest by LNC members. This register will be presented and distributed to all LNC members at each regular LNC meeting.

**3) Eligibility to Engage in Financial Transactions**

For the persons noted below, eligibility to engage in financial transactions with the Party is subject to the following:

Employment agreements shall specify in writing that registering as delegate to any national party convention constitutes an immediate resignation of employment.

Employment agreements with bonus provisions must make the bonuses contingent on objectively-measured achievements.

Employment agreements with bonus provisions based on revenues shall exclude convention and bequest revenues.

Employment agreements with bonuses based on achievements during a period of time shall require that the employee be an employee of the Party on every day of that time period to be eligible for the bonus.

Employment agreements shall include information about any obligations by the LNC to pay moving and moving-related expenses. A maximum on the total amount of such expenses to be paid shall be specified. In addition, the specific expenses must be approved by the LNC chair.

No employee of the Party shall be a member or alternate or any bylaws-specified committee.<sup>40</sup> Any person employed by the Party shall be terminated immediately upon their acceptance of election or appointment to any bylaws-specified committee.

Except as otherwise authorized in this policy manual, no employee of the Party shall endorse, support, or contribute any money, use their title or position, or work as a volunteer, employee, or contractor to aid:

## Libertarian National Committee - Policy Manual Standing Rules

---

- any candidate for public office prior to nomination, or
- any candidate for Party office

This shall not preclude any Party employee from being a candidate for public office.

### **5) Harassment and Offensive Behavior Prohibition**

The Libertarian Party is founded on the key principles of liberty, responsibility, and respect. With that foundation, it is to be expected that libertarians treat each other with professional respect, thoughtful consideration, and fundamental decency. Violation of this expectation by members of the Party not only risks substantial legal penalties, it also undermines the very legitimacy of the Party and the honor of its members. Violation of this expectation by members of the LNC, whether towards other LNC Members or LPHQ staff, is therefore especially egregious. To prevent such inappropriate behavior, the following standards must be observed:

- All collective deprecation, whether alluding to sex, race, color, national origin, disability, age, religion, or any other protected category, must be avoided. Every person is a unique individual, and as the Libertarian Party is the Party of Individual Liberty, this injunction should doubly apply.
- Sexual harassment, like other forms of harassment, is prohibited. Sexual harassment includes unwelcome sexual advances, requests for sexual favors or any other conduct of a sexual nature when: (1) submission to the conduct is made either implicitly or explicitly a condition of employment; (2) submission to or rejection of the conduct is used as the basis for an employment decision affecting the harassed employee; or (3) the harassment has the purpose or effect of unreasonably interfering with the employee's work performance or creating an environment that is intimidating, hostile or offensive to the employee.
- Any behavior, whether verbal or physical, that clearly offends a reasonable person—libertarian or not— must be avoided. Libertarianism is a philosophy of respect for the individual, and it must not be presented as being in harmony with behavior generally regarded as offensive.
- Any interaction which might be interpreted as abusing the apparent employer-employee relationship must be avoided. This applies to interactions of LNC members with staff and is to be extended to interactions with any consultant hired by the LNC.

LNC members and staff members must exercise their own good judgment to avoid any conduct that may be perceived by others as harassment. The following conduct could constitute harassment:

- unwanted physical contact
- racial or sexual epithets

## Libertarian National Committee - Policy Manual Standing Rules

---

- derogatory slurs
- off-color jokes
- sexual innuendoes
- unwelcome comments about a person's body
- propositions
- leering
- unwanted prying into a person's private life
- graphic discussions about sexual matters
- suggestive behavior, sounds, gestures, or objects
- threats
- derogatory posters, pictures, cartoons, or drawings

As a rule of thumb, if you think it might be offensive, it probably is.

Toward ensuring that all LNC members are thoroughly familiar not only with this policy but also the ramifications of it, they must participate in a standard program of exposure to the issues raised by these concerns. The Chair is responsible to select the content of this training program, in consultation with Counsel, and participation should be arranged at the earliest practicable opportunity after the person becomes an LNC member.

Any agreement that the LNC enters into with an affiliate must stipulate that the affiliate incorporate the principles set forth in the policy.

Any violation of this policy should be brought to the attention of the Chair or the Vice Chair. In response to every complaint, the LNC will take prompt and necessary steps to investigate the matter and will protect the individual's confidentiality, as much as possible, recognizing the need to thoroughly investigate all complaints. The LNC will take corrective and preventative actions where necessary. The LNC will not retaliate against any individual who in good faith brings a complaint to the attention of the LNC or participates in an investigation regarding a complaint. Any employee who violates this policy is subject to discipline, up to, and including discharge.

Violations of this policy may result in disciplinary action against the perpetrator.

**Section 2.02 COMMITTEE SCOPE AND  
RESPONSIBILITIES**

**1) Committee Reports**

At each regular LNC meeting, each committee created by the LNC will at minimum provide a written report at least seven (7) days prior to the session noting the dates and attendance rosters for each of their meetings since the previous regular LNC meeting.

**2) Advertising & Publication Review Committee**

The Advertising & Publication Review Committee (APRC) shall review and advise whether public communications of the Party violate our bylaws, policy manual, or advocate moving public policy in a different direction other than a libertarian direction, as delineated by the Party platform.

Public communications may be defined in either of two (2) categories: time-sensitive or enduring.

- Public communications that are of a time-sensitive nature, namely mass e-mails, news releases, twitter posts, and blog entries, shall be made available to the APRC upon their publication.
- Public communications that are of a more enduring nature, such as *LP News*, *Liberty Pledge News*, self-published Party literature, and fundraising letters, shall be made available to the APRC before the final proof is approved for printing and distribution.

Staff may seek advance advice from the APRC on any proposed communication.

Staff may reasonably conclude that the failure of the APRC to provide advice in a timely manner is tantamount to the committee's approval.

- In the case of public communications that are of a time-sensitive nature, a response is considered timely if made within six (6) hours of staff's submission of the subject matter to the committee, if submitted prior to its publication; and within forty-eight (48) hours, if submitted after its publication.
- In the case of public communications that are of a more enduring nature, a response is considered timely if made within twenty-four (24) hours of staff's submission of the subject matter to the committee.

If a majority of the committee concludes that a public communication violates the bylaws, policy manual, or advocates moving public policy in a different direction other than a libertarian direction, as delineated by the Party platform, the committee chair shall report such

---

to the Executive Director and the LNC Chair, citing the specific platform plank, bylaw or policy manual section. Official decisions of the APRC which are overridden shall be promptly reported to the LNC without revealing confidential employer-employee matters.

Communications between the APRC, staff, and the LNC Chair are in the nature of confidential employer-employee communications. However, the APRC may by majority vote agree to consult with other relevant individuals about matters which come before it, conditioned upon the prior agreement by such individuals to maintain confidentiality of the discussions. The LNC Chair in their bylaws-defined role as Chief Executive Officer of the Party retains the sole right to discipline and discharge employees who repeatedly contravene official Party positions.

### **3) Affiliate Support Committee**

For any affiliate not in a region, the Vice Chair will serve the same intermediary role that Regional Representatives serve for the affiliates in their respective regions.

The Affiliate Support Committee (ASC) shall identify the needs and interests of the various affiliates. In addition, the ASC shall identify those affiliates that are in particular need of assistance that the LNC can provide.

The ASC shall deliver a report to the LNC for the last LNC meeting of each calendar year, identifying and prioritizing those needs and interests of the various affiliates. This ranked list shall be taken into consideration when drawing up the following year's budget, and throughout the year as needed. This list will also assist the Executive Director in deciding how to assign tasks to staff, by identifying those services that staff provides to the affiliates that are the most desired.

The ASC shall also, when needed, recommend to the LNC measures that will address the particular affiliates that need assistance from the LNC.

The ASC will also establish a process for tracking the progress in meeting those needs.

### **4) Audit Committee<sup>41</sup>**

The Audit Committee's tasks are to select an independent audit company and to direct the scale and scope of standard annual audits of the Party's accounting records and processes. Following receipt of the audit company's report, the Committee shall help the LNC interpret the audit results and assist the latter in preparing any action plans that might be needed to alleviate deficiencies.

### **5) Awards Committee**

## Libertarian National Committee - Policy Manual

### Standing Rules

---

For the convention awards described below, the Awards Committee shall set the budget, manage the nomination process, select the award winners by committee vote, secure the awards, and present the awards at the convention.

The award descriptions are:

***Thomas Jefferson Leadership Award*** with recognition of outstanding leadership, high character, and dedication to the principles and goals of the Party.

***Patrick Henry Candidate Award*** with recognition of a very effective campaign for public office at the state or federal level, while communicating Libertarian ideas, principles, and values.

The Statue of Liberty graphic and the Torch Eagle graphic are considered the appropriate graphic symbols to be used on Party materials. Yellow, black, and grey are the appropriate primary colors to be used on Party materials. ### **3) Literature**

All reprints of Party literature shall be required to show credit to the author if such credit is given on the original. All wording on material produced by the Party shall be regarded as integral to the piece, and no wording shall be added to materials after approval of their form and content by the LNC. The number of pages per issue and the circulation per issue shall be the responsibility of the Chair consistent with the approved budget and the Party's current financial condition.

## Libertarian National Committee - Policy Manual

### Standing Rules

---

The selection of articles, their layout and the graphics for *LP News*, the relative amount of space assigned to articles, advertisements, Party announcements, and regular features shall be the responsibility of the Chair except as detailed in this policy manual.

The *LP News* is distributed to three (3) major groups: Party members and contributors, media representatives, and prospective members. The *LP News* shall address itself primarily to Party members, and its role shall be complementary to other publications within the libertarian movement.

The *LP News* shall focus on three (3) types of articles:

- those providing a libertarian perspective on current issues along with how and why this perspective differs from that of other political parties;
- those providing information on libertarian, libertarian-oriented, and Party activities around the U.S. and the world; and
- those discussing the tactics and strategy of the Party's political activities.

This leaves to other publications the areas of scholarly articles, in-depth analysis of current issues, regular coverage of the arts (book and film reviews), analysis of libertarian movement (as opposed to Party) tactics and strategy, in-depth debate of questions on which there is no libertarian consensus, critique of individuals within the libertarian movement, and reporting of routine state and local activities and personalities.

The proper tone for all articles is factual and even-handed. "Mainstream" political rhetoric shall be used to present "radical" libertarian ideas. "Buzz words" and "libertarian jargon" shall be avoided in order to make the *LP News* appealing to the broadest possible readership. Personal attacks on persons and institutions within the libertarian movement are to be avoided.

The articles in *LP News* shall, on the whole, represent the core ideas of agreement in the Party. No articles shall be published which contradict the Party platform. Articles that address areas where the platform is silent may be published provided that they are noted as representing the opinions of the author only and not those of the Party.

Recommendations appearing in the *LP News* for the study of internal education material not produced by the Party shall be accompanied by a disclaimer to the effect that they may contain material inconsistent with the platform. The only authoritative statement of Party positions is contained in the platform.

No classified advertising shall be accepted. All advertisements will be clearly labeled as such.

Staff orders are orders to staff by the LNC. They are a special category of standing rules, which relate to details of administration. ### **Section 3.03 AFFILIATE RELATIONS**

#### **1) Affiliate Relationships**

#### **2) Data Sharing with Affiliates**

A Non-Disclosure Agreement (NDA) shall be adopted by the LNC and maintained by the LPHQ, which shall require the protection of Personally Identifiable Information (PII) from abuse. This NDA shall:

- Require any person to sign the NDA prior to being given direct or indirect access to any PII data owned, co-owned, managed, or co-managed by LPHQ.
- Require that any person transmitting PII, or providing direct or indirect access to PII, verify that the recipient has signed the same NDA prior to that transaction.
- Prohibit sharing data in any manner that would provide an unfair advantage to any candidate for internal Party office or any external campaign which has not yet received official Party nomination.

All transmission of PII shall be encrypted. LPHQ shall maintain a copy of any signed NDA under this section.

For states participating in the shared Customer Relationship Management database (CRM):

The CRM exists as a service to maintain and share data of members, donors, and leads between LPHQ and state-level affiliates. The CRM is not to be used to manage a list of all voters.

The CRM contains PII; therefore, a signed copy of the NDA shall be submitted to LPHQ as a term of service for all users.

Data specific to a state-level affiliate in the CRM shall be jointly co-owned by LPHQ and the relevant state arty affiliate. It is encouraged, but not required, that state-level affiliates use the data for state-specific purposes, and LPHQ to use the data for national purposes. Further, it is encouraged that LPHQ and state-level affiliates take care to not over-communicate with contacts which can be perceived as “pestering.”

Through the CRM, LPHQ may, at its discretion, import data from state-level affiliates and any other users of the CRM.

## Libertarian National Committee - Policy Manual

### Enduring Staff Orders

LPHQ will import data from any external system maintaining membership and donation records maintained by LPHQ into the CRM on a quarterly basis, or more often as LPHQ deems appropriate.

State-level affiliates will provide a primary point of contact who will serve as the state administrator on the CRM. The state administrator shall be responsible for maintaining user access within a state-level affiliate and shall be required to ensure any other users of the CRM from their state-level affiliate have signed the NDA prior to receiving access to the CRM.

LPHQ support of state affiliates using the CRM will be prioritized by the level of financial support the state affiliate provides for the project, on a schedule to be determined by LPHQ based upon available resources and agreed-upon service level agreements.

State-level affiliates shall be responsible for content creation and maintenance on the front-end website, and for manually entering contacts obtained from other sources.

If a state-level affiliate exits the CRM program, they shall be entitled to an export of the data relevant to their affiliate, and then qualify under the “not participating” paragraphs below.

For states not participating in the CRM:

On a monthly basis, LPHQ will provide all officially recognized state-level affiliates with an encrypted file containing membership and lead data in CSV or Excel format for the area covered by that affiliate, within the first five (5) business days of the month to the affiliate chair, or their designee(s); provided that the recipient has signed the NDA.

The Executive Director must immediately report to the LNC when any project's gross cost unintentionally exceeds two and ½-percent (2.5%) of budgeted revenue.

The Executive Director shall provide monthly budgets for the next calendar year's proposed budget, including when reserve funds might be required.

The Executive Director shall not disburse any funds in excess of authorized limits until a budget amendment is approved. Failure to follow this policy may be cause for dismissal.

The Executive Director shall promptly report to the Executive Committee if cumulative revenue as of the end of the month is less than ninety-percent (90%) of the accepted budget and submit detailed plans for appropriate expense reductions for the remainder of the budget period.

### **3) Notifying Candidates of LNC Campaign Obligation Policy**

The Executive Director is responsible for publicizing the LNC's policy to all candidates for the presidential nomination and other candidates who seek aid from the LNC or the LPHQ. This policy is that no campaign is permitted to place orders, make purchases, or sign contracts in any manner that would lead a person to assume that the LNC is liable for the debt.

### **4) Orientation**

Before the second (2<sup>nd</sup>) LNC meeting after a convention, staff shall provide an orientation to new LNC members that includes providing and explaining the current budget, staff marketing plan, staff fundraising plan, policy manual, committee information, fiduciary duties, and other relevant documents.

Members of staff are responsible for reading, understanding, and complying with the articles of this policy manual entitled Standing Rules, Enduring Staff Orders, and Enduring Executive Orders. Special rules of order are generally not applicable to staff.

An executive order, just like any other standing rule, may be adopted, amended, rescinded, or suspended. However, since the Chair is effectively a committee of one (1), their unilateral decision to create, amend or repeal such executive orders will always meet the threshold of a majority of the entire committee, so notice is not required.<sup>55</sup>

There is no requirement that the Chair commit executive orders to writing.

Guidelines for the use of Social Media by Libertarian Party

Purpose For many of us, social media is a part of our daily lives and helps us communicate professionally and personally with those who care about what we do. This document updates those guidelines to reflect current practices, processes and tools in a rapidly changing social media environment.

Teams within the Libertarian Party lead and support social media use and citizen engagement activities. The purpose of this document is to inform Libertarian Party employees and qualified volunteers about the processes and best practices for setting up and managing social media channels and constituent engagement processes through the Libertarian party to support the work of the party. The Libertarian Party has produced a separate set of guidelines for the personal use of social media as a Libertarian party employee or qualified volunteer.

The Libertarian Party has an integral role in setting standards for the use of social media. The various teams within the Libertarian Party work together to ensure that constituents have a consistent user experience, content is presented with a common look and feel, and that guidelines and best practices are being followed for all constituent-party interactions.

Employees and Qualified Volunteers are also required to adopt corporate technologies and follow corporate standards for websites and blogs. ---

Below is a list of social media tools currently in use by the Libertarian Party.

Twitter is an online news and social networking platform that allows users to post and interact with short messages that may include links, images, videos or hashtags. Users can interact with content by liking, retweeting or commenting on posts. Twitter is an effective tool when immediacy is important.

Facebook is a social media and social networking platform that allows users to post messages that may include links, images, video or other visual/audio content. Users can interact with content by commenting on posts, assigning an emoji and sharing posts with their own contacts. Facebook is a useful tool for highly-visual content, or when you hope to start a conversation with citizens.

Instagram is an online photo-based social networking platform best suited for sharing photos and short videos. Users can interact with content by liking it, leaving a comment or sharing it with others. Instagram is a useful tool for highly-visual, lifestyle-focused content.

The Site's interface has been described as similar to that of Facebook, though MeWe describes themselves as the anti-Facebook due to its focus on data privacy.

#### **B. How do I set up a new official Libertarian Party social media account or engagement activity?**

It is important to note that the Libertarian Party takes a measured approach to creating new blog sites and social media accounts, so an early discussion with the Libertarian Party is essential to determine if your idea is likely to get approval. From time to time, based on proven need, new social media accounts and blogs will be considered. Any web content prepared for public consumption, regardless of the medium used, must be approved by the Advertising & Publication Review Committee, through the communications director assigned to your ministry. It is also vital that the Libertarian Party is responsible to ensure that all Libertarian policies and programs are communicated to the public in a timely, relevant and accessible manner and that constituents can access the information and services they need from the Libertarian Party in a way that is efficient and effective. The Marketing and Media Committee can help you determine the tools and approvals required for creating new social media accounts. Beyond Marketing and Media and the Advertising & Publication Review Committees, approvals may include the Chair or Vice Chair. Final approval of all new social media accounts rests with the LNC as well as the Chair. Final approval of new blogs and other

constituent engagement activities like apps that gather feedback or face-to-face open houses rests with the LNC or the Chair. In many cases, rather than starting your own social media account, it may be better for you to work with the Libertarian Party to promote content about your program through existing party accounts. This allows you to leverage the Libertarian Party brand, and an existing and well-established audience, rather than starting from scratch.

Please connect the Advertising & Publication Review Committee if you have content that you would like shared.

#### **C. How do I moderate social media in my professional capacity?**

Libertarian Party employees or qualified volunteers may in their professional capacity be involved in moderating, encouraging dialogue and responding to questions on social media and blogs. For this activity, employees are expected to follow the following guidelines.

##### ***Loyalty***

Libertarian Party employees and qualified volunteers have a duty of loyalty to the Libertarian party as their employer. They must act honestly and in good faith and place the interests of the party ahead of their own private interests.

##### ***Confidentiality***

Confidential information, in any form, that employees receive through their employment must not be disclosed, released, or transmitted to anyone other than persons who are authorized to receive the information. Employees with care or control of personal or sensitive information, electronic media, or devices must handle and dispose of these appropriately. Employees who are in doubt as to whether certain information is confidential must ask the appropriate authority before disclosing, releasing, or transmitting it.

##### ***Public Comments***

Libertarian Party employees or qualified volunteers may comment on public issues but must not engage in any activity or speak publicly where this could be perceived as an official act or representation (unless authorized to do so).

Employees must not jeopardize the perception of the Libertarian Party in the performance of their duties through making public comments or entering into public debate regarding Libertarian Party policies. Libertarian Party employees must not use their position in the party to lend weight to the public expression of their personal opinions.

##### ***Political Activity***

Libertarian Party employees and qualified volunteers may participate in political activities including membership in a political party, supporting a candidate for elected office, or seeking elected office. Employees' political activities, however, must be clearly separated from activities related to their employment.

If engaging in political activities, employees must remain impartial between Libertarian Candidates and Platforms and also retain the perception of impartiality in relation to their duties and responsibilities.

## Libertarian National Committee - Policy Manual

### Other Policies

---

#### *Service to the Public*

Libertarian Party employees and qualified volunteers must understand that the party is here to serve the public and provide that service to the public in a manner that is courteous, professional, equitable, efficient, and effective and overall positive, refraining from the negative. Employees must be sensitive and responsive to the changing needs, expectations, and rights of a diverse public in the proper performance of their duties. It is necessary to the positive development of the party to avoid hostility in social media communication as this can be conceived as a violation of the Non Aggression Principle.

All Libertarian Party employees and qualified volunteers must know there are categories of information that cannot be discussed with members of the public in any forum, either face-to-face or online. They include: Matters before the courts; Confidential policy advice, draft legislation etc.; and Material about third persons (e.g. information about identifiable individuals). Employees and volunteers who are in doubt as to whether certain information is confidential must ask the appropriate authority, before disclosing, releasing or transmitting it. You must notify the appropriate committee or LNC member if you receive a media request, including those from bloggers and other social media personalities who may be working on a story. Additional advice on moderation best practices can be found in Appendix A of this document.

#### **D. What privacy concerns do I need to be aware of?**

When a citizen leaves a comment or provides an opinion on a government social media channel or blog, they are providing personal information. The definition of personal information has a broad scope and includes, among other things, an individual's home address or email, appearance and image, educational and employment history and personal opinions. Part of the planning for constituent engagement and social media will include a plan to ensure and protect the privacy implications of the approach and tools to be considered. Some of the questions that may be asked as part of the plan include but not limited to: • Will anyone be sharing photos or videos containing identifiable individuals? • Will participants be sharing personal information about others, perhaps people they are caregivers of, their neighbors or friends? • Will anyone be able to identify the individuals based on the comments? • What is the data flow of personal information and opinions once it is received? • What happens to the personal information once the project is complete? • How will employees and qualified volunteers of the Libertarian party ensure that personal information and opinions are not improperly disclosed through systems or processes?

#### **E. If a constituent has shared a comment or other content, can I reuse it?**

From time to time, the Libertarian Party may wish to reuse personal information, such as opinions that were originally provided for the purposes of public discussion and promotion of proposed or existing Libertarian Party initiatives, policies, proposals, programs and legislation. For example, if Jane Smith posts on an official Libertarian Party channel her opinion about a policy, the Libertarian Party may choose to include this comment in a social media post, graphic or in the final engagement report. This is acceptable. However, identifiable elements should be removed if they are not required to communicate the message

or further engage with the community. However, The Libertarian Party may not freely re-post personal information from other information sources, such as another website, photos, a newspaper article, government press releases without obtaining the proper approval to do so or if ability to repost is implied by the organization.

#### **F. What do I need to be aware of regarding intellectual property and copyright?**

Intellectual property is the set of rights arising from the creation and development of music, videos, computer software, publications, training manuals, reports, maps, etc. Intellectual property rights include, but are not limited to, copyright, trademarks, official marks, domain names, patents and industrial design. The Libertarian Party claims copyright on any materials it posts or publishes, so it is essential that all employees and qualified volunteers confirm the materials posted online are owned by the Libertarian Party or permission to use this material has been granted and are not protected by someone else's copyright, existing restrictive licensing agreements or other terms of use that would prohibit the Libertarian Party from posting the materials. Materials automatically become the property and copyright of the Libertarian party if created by an employee while at work. Copyright encompasses a wide range of assets including written materials, such as books, manuals, reports and computer software; visual materials such as videos, photographs, pictures, posters and maps; and audio materials such as music and voice recordings. Also, commonly used within any organization including the Libertarian Party are registered trademarks and official marks, which are usually logos, word marks, or other branding associated with the Libertarian Party. All materials found online are property of their authors which may only be used if accompanied by a license or if prior permission is obtained from the author. The Libertarian Party must not use the trademarks or logos of another entity unless there is permission to do so. The Libertarian party cannot be perceived as endorsing a separate entity or its programs or products. Stock photos may be used providing they have been purchased as royalty-free with unlimited rights usage. Any questions about the use of intellectual property or copyright on social media and constituent engagement sites should be directed to the LNC or to the Advertising & Publication Review Committee, who may follow up with you or any other entity that may be necessary.

#### **G. How do I keep social media and constituent engagement records?**

Employees and qualified volunteers must consider how best to document the projects and activities for which they use social media tools and constituent engagement processes. Key records need to be classified and recorded in an appropriate fashion, and this may involve copying or transcribing information originally presented on social media. Other documentation may be identified as transitory records and destroyed.

#### **H. How do I prevent information security incidents?**

Prior to launching a social media tool or constituent engagement process, you must work with the LNC or Advertising and Publication Review Committee to assess the potential security risks of a particular tool, determine the appropriate security settings and ensure that you

understand the terms and conditions for the site. Any suspected or actual information incidents must be reported to the chair and the LNC immediately upon discovery of the breach.

#### **I. Does being a Libertarian employee or qualified volunteer impact my personal use of social media?**

All employees and qualified volunteers are required to comply with the Standards of Conduct as a condition of their employment or extended volunteer capabilities. This requires Libertarian employees and qualified volunteers to conduct themselves in a manner that maintains and enhances the public's trust and confidence in public perception. The Libertarian Party and the mainly the LNC and chair communicates Standards of Conduct expectations through training and support programs offered, as well as through internal tools. To comply with the Standards of Conduct, employees and qualified volunteers must conduct themselves in a way that separates their personal and professional use of social media and must avoid all real, potential and perceived conflicts of interest if deemed necessary. Employees must maintain impartiality in the performance of their duties and avoid making public comments or entering into public debate regarding government policies outside of Libertarian scope particularly in support of other parties. This commitment starts from the time the LNC or the chair in-trusts the employee or qualified volunteer with the capability of conducting social media presence for the representation of the Libertarian party, and they must conduct themselves accordingly throughout their employment or service as a volunteer in this capacity. This is only to be applied in instances where an employee or qualified volunteer slanders or defames the party or individual within the party or expresses a position or policy that is directly in violation of the bylaws, platform, statement of principles, or the Non-Aggression Principle.

#### **J. What about social media and constituent engagement during an election period?**

There are specific guidelines for employees and qualified volunteers during the election period, which includes the primary (the beginning of the political season when multiple candidates for the Libertarian party or other parties may be called), general (the main portion of the political season when candidates of all parties and independent individuals are seeking office) and transition (from election day until the new officeholders are sworn in). During the primary season it is necessary that all Libertarian employees and qualified volunteers directly responsible for advertising, communications, internet/web updates, social media and constituent engagement activities are limited to general public interaction regarding policy, national and state membership drives, and responding to the public regarding platform, position pieces. During this time, Libertarian party employees and qualified volunteers are not allowed to publish content that may be perceived as promotional of particular candidate in any race as it is the intention of the party to allow the voters to choose the appropriate candidate however sharing earned media for a Libertarian candidate with the express statement that this is not an endorsement of the candidate where the shared media has been shared within our channels. This does not expressly include any constituent engagement activities that may be multi-year or ongoing works with individuals who may be also seeking office. Public

feedback can still be accepted, but all efforts must be made to remain as impartial as part. The only exception is for an instance where another party or contrary group of individuals are seeking the nomination of the Libertarian party. This will be verified by the LNC and/or the chair prior to action taken. During the general election phase of the election cycle, the Libertarian party will actively promote duly selected nominated and or balloted candidates who will appear as Libertarians on the ballot in partisan races. Nonpartisan races will require membership of the party prior to appearing on the ballot in the respective elections. Employees and qualified volunteers should also be particularly conscious of their personal use of social media during an election period. During the transition phase restrictions are eased however no defamatory or negative commentary or personal usage of any campaign or candidate shall occur.

#### **K. Social Media Best Practices**

Use of social media by libertarian employees or qualified volunteers are our spokespeople For all intents and purposes, social media accounts can and should be considered an extension of the identity of an individual and of the party. Like their owners, a social account can embody different identities: Chair, LNC Member, etc. Guidelines for Libertarian party use of Social Media by employees or qualified volunteers can and should post to social media, including Facebook pages, in their capacity as a Libertarian party spokesperson. And they can do so while also using the same account to connect with constituents in their capacity as such, for example. The role of the Libertarian communications staff in supporting the Chair, the LNC and individual Committees with social media outreach is similar to how the Libertarian Party staff produce speaking notes and video products for announcements. Libertarian Party communications departments should produce suggested social media content for the Chair, the LNC, Committees and other spokespeople related to any and all Party events and announcements. The Chair, LNC, and Committees can then choose to adapt and work with other individuals after approval to post the proposed digital content after due review. For example, The Libertarian Party communications staff should prepare suggested Facebook posts and tweets related to a major party announcement for the Chair. Libertarian Party staff can and should also offer support to the Chair as it relates to digital communications best practices and posting the content. Libertarian Party communications staff should not, however, write suggested content unrelated to their role as a spokesperson as a member of a political party, this would exclude content from their role as a fan of a sports team, or as a family member, Libertarian Party communications staff should also not be posting to social media channels on behalf of a Chair or LNC Member or Committee. Social Media Best Practices Security Best Practices Creating structure around access, roles and logins can help protect Libertarian party blogs and social media accounts from security incidents. Members of Libertarian party staff can help involved individuals develop smart security patterns to safeguard account security. Some security best practices include:

- Restrict access to pages and accounts to those who need it;
- Establish and follow rules around where personnel fit in the role hierarchy (e.g. only two or three admins on Facebook with others as editors or below)
- Use single logins when possible, or restrict login to party email addresses which can be controlled if compromised;
- Reduce the number of personal email accounts being used to login to Facebook, which can expose Libertarian Party accounts to security incidents if personal Facebook accounts are compromised; and
- Ensure any personal accounts adhere to

password security best practices by choosing complex, unique passwords that are different for each account, changing passwords often (at least every 3 months), and setting up two-factor authentication for any account that has access to Libertarian Party assets. Moderation Best Practices Each social media tool will require its own moderation policy and terms of use. For example, the Corporate Moderation Policy must be used when setting up the party blog platform. Some additional tips for moderating include: • Only comment on topics that you have responsibility for and direct knowledge about. Refer out-of-scope questions to those with responsibility for those areas or to the relevant communications officer in the Libertarian Party; • Provide information in plain language and avoid personal bias; • Check for spelling and grammatical errors; • Be polite, communicate respectfully, and encourage positive, helpful exchanges of information; • Do not provide links to, or information about, sites that contain unlawful, objectionable or inappropriate content; and • Never include your personal phone number, e-mail address or other personal information.

#### Be Personable

Success with social media requires a personable, conversational style in your online interactions. This approach will help you build productive relationships, manage our Party's reputation and help you become a valued and proactive contributor to online conversations and communities. Draw on your experience to tell stories and anecdotes that illuminate your ideas and use an authentic voice to help people connect to the person behind the keyboard. In doing so, be mindful of the privacy guidelines and information collection and disclosure guidelines outlined in this document to avoid compromises of your own or others' privacy.

#### Be Relevant

Provide information that is timely and useful for your audience. Work thoughtfully to create conversations that are productive, and be responsive to questions and feedback that comes in.

#### Plan Ahead

Keep the conversation going by developing a content calendar to plan what you want to share and when. Regular timing of posts can be helpful for increasing a following and keeping them engaged and focus on quality content. Whatever schedule you decide on – twice a week, once a day, multiple times each day – an editorial calendar can help you strategize the content you want to create for each platform and when you want to share it. Consider the timeliness of your content and ways you might tie-in to public events, seasons, occasions and topical themes. Just as important as knowing when to share content is knowing when it is not the right time. For example, during large breaking news events adjusting your content plans may avoid appearing insensitive or out of touch.

#### Prioritize Service

A constituent centered approach includes responding to all public questions and comments promptly, creating content based on what the audience is looking for or needs further explanation on, and collaborating on content, all done with a focus on whether the public would find the content interesting. With a clear priority around constituent service,

#### Manage Issues Wisely

## Libertarian National Committee - Policy Manual

### Other Policies

---

Social media is a helpful way for libertarian employees and qualified volunteers as well as our general constituent to be made aware of emerging issues. Sometimes issues can be identified as they begin to unfold on our social media profiles, and at other times issues may be directed specifically at them. It is important to work closely with party employees, the Chair, and LNC when this happens, so you can respond to issues appropriately.

#### Monitor Regularly

Constituents see social media as a way to directly access information and people quickly. Frequent content updates and prompt, helpful responses to inquiries can go a long way in building trust with followers. Be sure to check in with your social media profiles frequently to check on new activity, provide follow up to comments and identify emerging issues.

## **ENDNOTES**

---

<sup>1</sup> Other terms defined in the bylaws may also be included in this document.

<sup>2</sup> See RONR (12<sup>th</sup> ed.) 10:45, 25:2, 25:13.

<sup>3</sup> Normally, alternates may only fill vacancies, not absences. However, Bylaw Article 7.1 authorizes the LNC to delegate its authority to others, otherwise only members could participate in meetings. In the absence of this rule, the only role for alternates would be voting in mail ballots, in accordance with Bylaw Article 13.

<sup>4</sup> In the absence of this rule, RONR (12<sup>th</sup> ed.) 47:33 states that the Secretary would be responsible for preparing “prior to each meeting an order of business for the use of the presiding officer, showing in their exact order, under the correct headings, all matters known in advance that are due to come up and— if applicable— the times for which they are set.”

Note: RONR (12<sup>th</sup> ed.) 8:2(2) defines session as a “meeting or series of connected meetings devoted to a single order of business, program, agenda or announced purpose, in which— when there is more than one (1) meeting—each succeeding meeting is scheduled with a view to continuing business at the point where it was left off at the previous meeting.”

<sup>5</sup> LNC is delegating its authority in accordance with Bylaw Article 7.1, which states “The National Committee may delegate its authority in any manner it deems necessary.” In the absence of this rule, all authority would be retained by the LNC.

<sup>6</sup> RONR (12<sup>th</sup> ed.) 57:19 authorizes an assembly to delegate technical changes of documents, provided they do not change the meaning. In the absence of this Rule, virtually all changes would require a vote of the LNC.

<sup>7</sup> There are two divisions of main motions, original main motions and incidental main motions. See RONR (12<sup>th</sup> ed.) 5:2.

<sup>8</sup> In the absence of this rule, the procedure for providing previous notice is as described in RONR (12<sup>th</sup> ed.) 10:44, 44:10 and varies depending on whether there is more than a quarterly time interval between meetings. In the case where there is no more than a quarterly time interval between meetings, the announcement must be made at the previous meeting. In the case where more than a quarterly time interval exists between meetings, the member gives notice to the Secretary, who sends it out with the call of the meeting.

In the absence of this rule, previous notice would not require the full text of the motion or resolution, only an accurate and complete statement of purport.

Note: RONR (12<sup>th</sup> ed.) 8:2(2) defines session as a “meeting or series of connected meetings devoted to a single order of business, program, agenda or announced purpose, in which—

when there is more than one (1) meeting—each succeeding meeting is scheduled with a view to continuing business at the point where it was left off at the previous meeting.”

Note: A motion to adopt, amend or rescind a special rule of order requires either (a) a two-thirds (2/3) vote with previous notice, or (b) a vote of a majority of the entire membership of the Libertarian National Committee. See RONR (12<sup>th</sup> ed.) 2:22, 10:45.

<sup>9</sup> In the absence of this rule, we would follow the default of order of business as described in RONR (12<sup>th</sup> ed.) 41:5.

<sup>10</sup> In the absence of this rule, changing the order of the agenda requires amending something previously adopted, which requires a two-thirds (2/3) vote or a majority of the entire membership of the LNC or unanimous consent. See RONR (12<sup>th</sup> ed.) 41:63.

<sup>11</sup> In the absence of this rule, RONR requires a suspension of the rules—two-thirds (2/3) vote—to allow a nonmember to speak in debate. See RONR (12<sup>th</sup> ed.) 25:9n7.

<sup>12</sup> RONR (12<sup>th</sup> ed.) 9:27 states “A member can be punished under disciplinary procedures if he violates the secrecy of an executive session. Anyone else permitted to be present is honor-bound not to divulge anything that occurred.”

<sup>13</sup> In the absence of this rule, the LNC could enter executive session for any reason with only a majority vote, and there would be no such content requirements for the motion to enter executive session. RONR (12<sup>th</sup> ed.) 9:24 states that “a motion to go into executive session is a question of privilege, and therefore is adopted by a majority vote.”

<sup>14</sup> This section was amended effective July 19, 2020 to comply with an amendment to the Party bylaws stating: “The LNC and all of its committees shall conduct all votes and actions in open session; executive session may only be used for discussion of personnel matters, contractual negotiations, pending or potential litigation, or political strategy requiring confidentiality.”

<sup>15</sup> In the absence of this rule, action can be taken in executive session. RONR (12<sup>th</sup> ed.) 9:27 states, “the minutes, or record of proceedings, of an executive session must be read and acted upon only in executive session, unless that which would be reported in the minutes – that is, the action taken, as distinct from that which was said in debate – was not secret, or secrecy has been lifted by the assembly.”

<sup>16</sup> In the absence of this rule, a motion would be required before allowing debate. RONR (12<sup>th</sup> ed.) 9:27 “Unless the assembly has specifically authorized that a particular subject be discussed while no motion is pending, however, such a discussion can be entered into only at the sufferance of the chair or until a point of order is made...”

<sup>17</sup> In the absence of this rule, this action of making public these minutes would be made in executive session. RONR on p. 96 states, “the minutes, or record of proceedings, of an

---

executive session must be read and acted upon only in executive session, unless that which would be reported in the minutes—that is, the action taken, as distinct from that which was said in debate—was not secret, or secrecy has been lifted by the assembly.”

In addition, under RONR, lifting secrecy is a regular motion requiring only a majority vote, so any requirement for a two-thirds (2/3) vote is more burdensome.

<sup>18</sup> In the absence of this rule, the minutes would not reflect who was absent from an Executive Session. See RONR (12<sup>th</sup> ed.) Section 48 for the contents of minutes.

<sup>19</sup> In the absence of this rule, this information may not violate the secrecy of Executive Session. RONR (12<sup>th</sup> ed.) 9:27 states “A member can be punished under disciplinary procedures if he violates the secrecy of an executive session. Anyone else permitted to be present is honor-bound not to divulge anything that occurred.”

<sup>20</sup> In the absence of this rule, lifting secrecy would require only the consent of the LNC. RONR (12<sup>th</sup> ed.) 9:27 states, “the minutes, or record of proceedings, of an executive session must be read and acted upon only in executive session, unless that which would be reported in the minutes—that is, the action taken, as distinct from that which was said in debate—was not secret, or secrecy has been lifted by the assembly.”

<sup>21</sup> In the absence of this rule, the minutes would not reflect disclosed conflicts of interest. See RONR (12<sup>th</sup> ed.) Section 48 for the contents of minutes.

<sup>22</sup> RONR recommends against attempting to conduct business by electronic email, as it does not constitute a deliberative assembly and will result in many situations unprecedented in parliamentary law, and many rules and customs of parliamentary law cannot be applied. See RONR (12<sup>th</sup> ed.) 1:1n1 and also 9:34.

<sup>23</sup> In the absence of this rule, only roll call vote details and main motions would be recorded in the minutes. See RONR (12<sup>th</sup> ed.) 48:2-5.

<sup>24</sup> In the absence of this rule, each day’s minutes would be approved at the beginning of the next day of the session and the final day’s minutes would be approved before the final adjournment, unless the body authorizes the executive board or a committee to approve the minutes at a later time. See RONR (12<sup>th</sup> ed.) 48:9.

<sup>25</sup> The only proper way to object to the approval of the Secretary’s draft of the minutes is to offer a correction to it. See RONR (12<sup>th</sup> ed.) 41:11. Also, a member who believes that further investigation or redrafting is necessary in order to produce a correct version of the minutes may offer a motion to refer the minutes to a committee or to postpone their approval to a certain time. See RONR (12<sup>th</sup> ed.) 41n3.

<sup>26</sup> In the absence of this rule, minutes would only be accessible by members of the Executive Committee. RONR (12<sup>th</sup> ed.) 47:33 states “Any member has a right to examine these reports

---

and the record book(s) including the minutes of an executive session, at a reasonable time and place, but this privilege must not be abused to the annoyance of the secretary. The same principle applies to records kept by boards and committees, these being accessible to members of the boards or committees but to no others (but see 49:18-19).”

<sup>27</sup> In the absence of this rule, each day’s minutes would be approved at the beginning of the next day of the session and the final day’s minutes would be approved before the final adjournment, unless the body authorizes the executive board or a committee to approve the minutes at a later time. See RONR (12<sup>th</sup> ed.) 48:9.

<sup>28</sup> In the absence of this rule and Bylaw Article 9.2, the LNC would select the committee sizes, select the committee members, and would have the option of appointing the committee chairs. See RONR (12<sup>th</sup> ed.) 50:11.

<sup>29</sup> Bylaw Article 9.2 requires a standing Audit Committee and specifies the details noted in the “size” and “member selection” columns of this table. In the absence of this row, the non-officer LNC members would have the option of appointing the committee chair. See RONR (12<sup>th</sup> ed.) 50:11.

<sup>30</sup> Per Bylaw Article 9.2, the Assistant Treasurer is excluded from serving on the Audit Committee.

<sup>31</sup> In the absence of this rule, the term of office of a special committee would expire when the assigned task is completed and the committee reported back to the assembly (see RONR (12<sup>th</sup> ed.) 50:10), except that in a board the special committee would expire with the body that appointed it (see RONR (12<sup>th</sup> ed.) 50:30). Standing committees are appointed for a term corresponding to that of the officers, but the members of standing committees continue their duties until their successors are chosen (see RONR (12<sup>th</sup> ed.) 50:29).

<sup>32</sup> In the absence of this rule, the chair would not automatically be a member—voting or nonvoting—on any committee, unless appointed to the position. See RONR (12<sup>th</sup> ed.) 47:20.

<sup>33</sup> RONR (12<sup>th</sup> ed.) 1.1n1 states: “A group that attempts to conduct the deliberative process in writing—such as by postal mail, electronic mail (e-mail), or facsimile transmission (fax)—does not constitute a deliberative assembly. When making decisions by such means, many situations unprecedented in parliamentary law will arise, and many of its rules and customs will not be applicable (see also 9:30-36).

<sup>34</sup> In the absence of this rule, without notice, the LNC can amend this with a two-thirds (2/3) vote or a majority of the entire board; or with notice, the LNC can amend with a majority vote. See RONR (12<sup>th</sup> ed.) 35:2(7).

<sup>35</sup> LNC is delegating its authority. In the absence of this rule, such an amendment would require LNC approval.

<sup>37</sup> LNC is delegating its authority. In the absence of this rule, such an amendment would require LNC approval.

<sup>38</sup> In the absence of this rule, a majority vote of the LNC would be sufficient to grant an honorary life membership. Note that honorary life memberships do not confer status as a sustaining member.

<sup>39</sup> See RONR (12<sup>th</sup> ed.) 25:12-13.

<sup>40</sup> Current bylaws-specified committees include Judicial, Bylaws and Rules, Platform, and Credential Committees.

<sup>41</sup> This policy assigns some tasks to the Audit Committee in addition to those specified in Bylaw Article 9.2.

<sup>42</sup> In the absence of this rule, the committee could not begin its work until all of its members were named (see RONR (12<sup>th</sup> ed.) 50:13(d)).

<sup>43</sup> The term “fixed membership” is defined in the footnote on RONR (12<sup>th</sup> ed.) 44:9(b)n1.

<sup>44</sup> Note that the D.C. corporation code requires board approval to open a bank account.

<sup>45</sup> Bylaws Article 9.4 states, “The National Committee shall have the power to designate the depository of all funds of the Party and shall appoint such officers and employees as in its judgment may seem advisable to deposit and withdraw funds.” The National Committee is delegating its authority here in accordance with Bylaws Article 7.1.

<sup>46</sup> In the event that a budget is not adopted by the LNC, Bylaws Article 9.1 authorizes the Treasurer to spend money using the previous year’s budget. “The fiscal term of the Party shall begin on January 1 of each year. From January 1 until the National Committee has approved a budget, the Treasurer may authorize expenditures for any item incorporated in the previous year's budget as long as the level of expenditure is consistent with that budget.”

<sup>47</sup> Authorized by Bylaw Article 6.6.

<sup>49</sup> This policy is derived from and serves as an interpretation of Bylaw Article 9.5.

<sup>51</sup> Qualifications for sustaining membership are defined by Bylaw Article 4.4.

<sup>52</sup> In the absence of this rule there is no requirement in RONR to send such documents in advance. RONR (12<sup>th</sup> ed.) 47:33(10) states that the Secretary is responsible for preparing “prior to each meeting, an order of business for the use of the presiding officer, showing in their exact order, under the correct headings, all matters known in advance that are due to come up and—if applicable—the times for which they are set.”

RONR (12<sup>th</sup> ed.) 41:62 states that a proposed agenda is not binding. “In some organizations, it is customary to send each member, in advance of a meeting, an order of business or agenda, with some indication of the matters to be considered under each heading. Such an agenda is often provided for information only, with no intention or practice of submitting it for adoption. Unless a pre-circulated agenda is formally adopted at the session to which it applies, it is not binding as to detail or order of consideration, other than as it lists preexisting orders of the day (RONR (12<sup>th</sup> ed.) 41:39-40) or conforms to the standard order of business (RONR (12<sup>th</sup> ed.) 3:15-17, 41:5) or an order of business prescribed by the rules of the organization (RONR (12<sup>th</sup> ed.) 2:14-22, 3:15-17).”

It requires a simple majority for the LNC to adopt an agenda (RONR (12<sup>th</sup> ed.) 41:61).

<sup>53</sup> RONR recommends against attempting to conduct business by electronic email, as it does not constitute a deliberative assembly and will result in many situations unprecedented in parliamentary law, and many rules and customs of parliamentary law cannot be applied.
