BREAKING NEWS:

LPO ADOPTS NATIONAL PLATFORM

Due to an unanimous vote by our Public Policy Board last Wednesday, the Libertarian Party of Oregon has now adopted the platform of the national Libertarian Party.

For those that might not know, this adoption covers a broad set of statements of principle and policy that our State Party is now free to advocate for on our official channels. This will help us message in an effective and efficient way so we can more easily recruit volunteers, solicit donors, earn media coverage and attract candidates.

If you have never read the National Platform before (It's about a 15-20 minute read) you can do so here: <https://www.lp.org/platform/>

SPOTLIGHT: SHERMAN COUNTY LP

<https://shermanliberty.org/>

We'd like to say thank you to one of our most successful affiliates this year, Sherman County!

From holding events, to the advocacy to get local officials to put out pro-liberty statements, to holding local offices yourselves and putting on gun training events, we appreciate the hard work you have put in to the most Libertarian county in Oregon.

We can't wait to see what you guys have in store for in the New Year.

Special thanks to Travis West, James Alley, Josh Ball, and Kristine West! You guys are awesome!

They are also holding a Bitcoin event at the end of this month. If you're in the area, or even if you're not and you don't mind the drive, come check it out!

***LETTER FROM THE CHAIR -
DECEMBER 2023***

Howdy everyone!

Well, it looks like we're going full steam ahead into what will probably be one of the craziest Presidential Election years any of us will have ever experienced. I wish I could tell you what we can expect in the new year, but I have as much idea as the rest of you.

What I do know is that Election years are one of those rare times where those that are not usually politically active dip their toe in politics. This is an opportunity for us to put ourselves out there and build the party we know this can be. We have two successful State conventions under our belt's again, a new county affiliate, and several on the verge of forming.

Let's make this year about building the LPO up to fighting shape. If you haven't already, send an email to chair@LPOregon.org and lets get you volunteering on a committee. We currently have openings on the Campaigns and Fundraising Committees and both Chairs have told me they'd love volunteers.

Committees don't sound like your speed? Volunteer to help build your county affiliate (A.K.A. your county party). It's super easy AND fun to get started. I can help you personally with it too.

If we put the work in, we can have an effective party that moves the needle towards liberty here in Oregon. I want to build it, will you help me?

Let's hit the ground running next month. For now, enjoy your festivities. Merry Christmas. Happy Hanukkah. Merry Yule and Winter Solstice...and any others I forgot.

And of course...Cheers!
