

## MEETING SUMMARY October 18, 2022

**Date and Time:** Tuesday, 18 October 2022 at 5:30pm Mountain time

**Where:** Online: Zoom

**Committee Attendees:** Joe Dehn, Andrew Kolstee, Sam Bohler, Lisa Gansky

**Other Attendees:** none

The meeting was called to order at 5:50pm Mountain time.

**Outreach to State Parties:** There was further discussion and editing of the draft of a letter to state parties. It was agreed that it should be sent to everyone we can reach on both state and local executive committees, rather than just to a single contact in each state. Caryn Ann's assistance will be needed to have the national office either send it out (preferable, so that it comes from an "official" address) or provide a mailing list for this set of contacts so one of us can send it (less desirable, as there can be problems sending bulk e-mail from personal addresses).

**Records of Past Meetings:** The minutes of the 4 October meeting were approved without objection.

**Florida:** Lisa reported that the state party had a table at LibertyCon in Miami, and that she is still working on getting the Chair and Vice Chair of Miami-Dade to help with documenting the history of that area.

**California:** Joe reported that the LPC HPC will be meeting this coming Sunday.

**Uploading Projects:** Sam reported that he finished uploading the issues of Libertarian Vanguard that were in the batch of files with which he has been working, and he is now working on the issues of Free Texas.

The next meeting is scheduled for 1 November 2022.

The meeting was adjourned at 6:11pm Mountain time.
