

VOLUME II NUMBER 6

NEWSLETTER

The **Liberty Pledge Newsletter** is a monthly publication for the participants in the National Libertarian Party Pledge program. Because of your contribution, we are able to carry on the daily activities of the Party, and we want you to know what we are doing. We also want the opportunity to thank you for your generosity and let you know about others who are helping the Party as volunteers and contributors. So, first, thank you!

Libertarians across the country . . . are now making plans for their 4th of July celebrations. Some groups will be having picnics and fireworks displays; others will be taking part in community parades and celebrations. At least one group will be sponsoring a "Run for Freedom." I would encourage every Libertarian group to do something special for this most Libertarian of holidays. It is a fine time to let others know what we are about.

Speaking of 4th of July celebrations . . . we now have a colorful new Fourth of July brochure which was prepared especially for activists to distribute as part of our Independence Day outreach effort. We have an ample supply available, so if you would like to order some please complete and return the form below.

1984 Presidential ballot access... has been achieved in 16 states. An all-volunteer ballot drive has just been completed in Michigan. They are awaiting state certification this month. The Maryland drive is still in progress; Wyoming and Massachusetts are persuing court cases to ease restrictions.

New editor for LP News... Bill Evers of California is the new editor of the Libertarian Party News, beginning with the June Issue. Ms. Kathleen Richman is now the managing editor.

For statistics buffs . . . a new publication is available from the Government Printing Office entitled Statistics of the Congressional Election of November 2, 1982, showing "the vote cast for each nominee for United States Senator, Representative, and Delegate to the ninety-eighth congress, together with a recapitulation thereof."
