Dear Caryn Ann,

Time is running out, and we need your voice now more than ever! October is our last stand – **the final opportunity for your Libertarian Party membership to be counted for delegate allocation** at our crucial 2024 National Convention.

**[If you aren't a member yet, now is the perfect time to join or renew!](#)**

### Here's Why You Must Act Now:

- **Empower Your Voice:** Your membership grants you the power to shape our messaging, select our presidential candidate, and champion the values we hold dear. By joining, you directly influence our party's direction, policies, and strategies.
- **Increase Your State Delegate Size:** The more members we have, the more delegates your state receives. This means a stronger voice for your region in the national conversation. Ensure your state's fair representation by joining the Libertarian Party today.

Every second counts, and we urge you to seize this moment. Act now and renew your membership with the Libertarian Party. Your membership this October strengthens our cause and accelerates our efforts in critical areas such as Ballot Access and Candidate Support.

### **[Join Us Today!](#)**

Your window of opportunity is closing fast. Renew your membership before October 31st to ensure your influence at the National Convention.

If you have any questions or need assistance with the renewal process, please don't hesitate to contact us at [info@lp.org](mailto:info@lp.org).
