MEETING SUMMARY April 18, 2023

- Date and Time:** Tuesday, 18 April 2023 at 5:30pm Mountain time
- Where:** Online: Zoom
- Committee Attendees:** Caryn Ann Harlos, Joe Dehn, Ed Fochler, Sam Bohler, Lisa Gansky

**Records of Past Meetings:** The minutes of the 4 April meeting were approved without objection.

**Site Statistics:** Ed reported that traffic remains at about the same level. He noted that although there was a recent sudden drop in our appearance in search results, likely because of a change in the search algorithm, the click-through rate has gone up, suggesting that the results are now better targeted. He has been creating index files to help facilitate Google finding all the useful pages. It was mentioned that getting an IPv6 address might improve our standing in search results.

**Physical Collection:** Caryn Ann reported that she was able to get some work done at the storage unit.

**Alabama:** Sam reported that they will be appointing a state HPC next Tuesday.

**California:** Joe reported that the state HPC had its organizational meeting for the new term and that he was re-elected as chair.

**Florida:** Lisa reported that the state convention is this coming week and that she plans to start using the state newsletter to encourage people to do "spring cleaning" to identify any historical items that they might have.

**2024 Convention Memorial Committee:** The invitation for applications was sent out. So far only two people have applied; Caryn Ann will forward these to Lisa. This
