Ms. Linda Gold, Producer
THE BARRY GRAY SHOW
WMCA
888 7th Avenue - 3rd Floor
New York, New York

Dear Linda:

Per our conversation, Gary Greenberg is a New York City Attorney presently with the Legal Aid Society; former Assistant District Attorney of Queens County, former law assistant to Congressman Halpern, one-time candidate for Judge on the Conservative ticket in Suffolk County; Chairman of the New York Libertarian Association and contributing editor to "Outlook" Magazine.

Gary has an unequivocal position on amnesty: unconditional amnesty for both draft evaders and deserters and moreover, reparations should be made to them for the disruption of their lives, these reparations being paid by the politicians and persons responsible for maintaining the draft.

As you might have gathered from the above, Gary is unalterably opposed to the draft and considers it involuntary servitude.

Gary is very articulate, has spoken before many groups and has appeared on several local radio shows. He is available any evening except Thursday. His home phone number is 787-7093. Since he is usually unavailable in the daytime, you can make arrangements through me at 988-7814.

Thanks for your consideration. Hope to hear from you soon.

Sincerely,

Andrea Millen
