Hello Caryn Ann,

**A Gold New Deal: The Government We Will Tolerate** is a compendium of essays that I have brought together discussing the motivation for a new relationship between us and our government.

**Including interviews with:**

- Larry Sharpe, host of the SharpeWay and 2022 candidate for governor of New York
- LISA, the Libertarian Intelligence System Application, the libertarian AI bot found at [LibertarianIntelligence.org](http://LibertarianIntelligence.org)

**Including essays by these best-selling libertarian authors:**

- Antony Sammeroff, author of the best-seller Universal Basic Income - For and Against,
- Max Borders, author of best-sellers The Social Singularity and Underthrow: Why Jefferson's Dangerous Idea Will Spark a New Revolution,
- Aleksandar Svetski, author of the best-seller UnCommunist Manifesto and the upcoming Bushido of Bitcoin and
- Dennis Consorte, author of the best-seller Back After Burnout.

**Including essays by these libertarian thought leaders:**

- Daniel Donnelly, "Consent of the Governed,"
- Irene Mavrakakis, "Medical Freedom,"
- Russell O. Paige, "I Don't Think Any Kind of Advertising Should Be Banned,"
- Adolfo Jiminez, "Doing the County's Business,"
- J. Stratton Lobdell, "The Federal Bureaucracy Cannot Serve the American People,"
- Joel Extine, "Our Abusive Relationship With Government" and
- Mike ter Maat, "A Gold New Deal."
