Historical,

As we bid farewell to November, we are thrilled to share the progress made and the milestones achieved through your unwavering support. Your commitment to liberty has fueled our efforts, and together, we are making strides towards a freer future.

Ballot Access Fundraising in Full Swing:

Our efforts to secure ballot access in Kentucky, New Mexico, and Ohio are well underway, and we are actively working towards funding these essential projects. Your generous contributions are crucial in this endeavor, helping us reduce the cost of petitioning for signatures and ensuring that Libertarian candidates have the best opportunity to reach voters with our message.

Please continue to support our Ballot Access Fundraising campaign by making a contribution today. Every dollar brings us closer to achieving our goals. Remember, the **maximum contribution amount you can make towards a political party in a calendar year is \$41,300**, and with only 20 days left, now is the time to maximize your support.
