COVID-19 Response Forces Changes to Events

Response to the COVID-19 outbreak at the local, state, federal and personal levels is leading to many changes in events throughout the country.

The Libertarian Frontier Summit, scheduled for April 4-5 in Cheyenne, Wyoming, has been rescheduled to the weekend of August 1-2. Registrations and reservations will be carried over. You can find more at libertarianfrontier.com.

The Utah Libertarian Party's Nominating Convention is still scheduled for April 24-5 in Ogden. While we hope to hold the convention as intended, it is looking more and

more as if that will not be possible. We are making plans to conduct a virtual convention on Saturday April 25th should the public gathering become untenable, and will send the appropriate information for participation if that becomes the case.

Any money paid for meals or events related to the convention will be fully refundable if we are unable to hold those events. Hotel reservations made through our link may be cancelled without penalty up until 4 PM on the scheduled arrival day.

We wish everyone health, safety, and liberty as we navigate this unprecedented situation.
