LP Seeks Candidates for Nov.97 Special Elections

Special Elections will be held November 4, 1997 in 22 SC State House Districts and 7 SC State Senate Districts in 30 counties throughout S.C. (This is due to redistricting.)

The SCLP would like to urge Libertarians throughout S.C. to run as candidates in these special elections. These Special Elections are an excellent opportunity for 3rd party candidates to gain recognition and promote the libertarian message.

Filing for all candidates will be held June 2-16. The SCLP will hold a convention later this summer to nominate our candidates.

Interested persons in the following counties, should contact your SCLP

county chair to obtain filing forms (Aiken, Anderson, Charleston, Horry, Lexington, Orangeburg).

Candidates in the following counties (Abbeville, Allendale, Bamberg, Barnwell, Berkeley, Chesterfield, Colleton, Darlington, Dorchester, Edgefield, Florence, Georgetown, Greenwood, Hampton, Jasper, Laurens, Lee, Marion, Marlboro, McCormick, Saluda, Williamsburg) should contact SCLP Secretary Mary Lou Seymour (803) 593-6876

to obtain the filing forms & info on where & how to file.

If you are not yet a LP member, you may use the form in this mailer to join. If you can't run yourself, but know someone in your community who has expressed interest in the LP message and issues, **now** is the time to ask them to join us & be a candidate! And, if you can't be a candidate, remember that **donations** of time and money are always vital to the success of any endeavor.

Let's show the people of S.C. that liberty isn't a forgotten word in South Carolina, and that there are candidates who will **"put Freedom First"**! It's up to all of us to do what we can to promote running as a LP candidate in 1997!

From the Chair...

by Rodney Travis, SCLP Chair

I would like to personally urge everyone who is reading this to do whatever you can to help the SCLP make a good showing in these Special Elections this fall.

This is a great opportunity for all of us in SC. to obtain public awareness for the Libertarian message. We all need to work together, as individuals, to make sure our message is heard. These elections give us an unprecedented opportunity, and I urge you to take advantage of it.
