Historical,

Thanks to your generous support, our billboard campaign targeting neocon Republicans is underway! Our billboard in South Carolina has been shown **over 600 times with nearly 6,000 impressions** so far.

Residents are already taking notice and are excited to hold Lindsey Graham accountable for his bloodlust. As you read this email, we are also working on billboards in Florida and Kentucky. [Click here to rush your best donation to Operation Warhawk Removal >>>](#)

This is just Part 1 of Step 1 of Operation Warhawk Removal. Soon, we will be rolling out billboards designed to target the worst warmongering Democrats in office.

We want to keep turning up the heat on warhawks by expanding our billboard project and introducing more projects in the near future. But we need your help.
