Historical,

As we approach the upcoming elections, securing ballot access is of paramount importance for the Libertarian Party. We are reaching out to provide you with a comprehensive update on the states where our ballot access initiatives are currently underway and where your support is urgently needed.

**States Seeking Ballot Access in 2024:**

- Alabama - 5000 signatures
- Washington DC - 5200 signatures
- Illinois - 25,000 signatures
- Massachusetts - 10,000 signatures
- New Hampshire - 3000 signatures
- Pennsylvania - 5000 signatures
- Rhode Island - 1000 signatures
- Virginia - 5000 signatures

**States with 100% Self-Funded Initiatives:**

- Tennessee
- Washington
- New Jersey

**States with High Financial Demands:**

- New York- Due to nearly 45,000 signatures in a short window for petitioners to gather them, there is significant cost associated with gaining ballot access.

**States with Ongoing Ballot Access Initiatives:**

- Kentucky- 5000 signatures
- Maine- 5000 registered voters
- New Mexico- 3562 signatures
- North Dakota- 7000 signatures
- Ohio- 5000 signatures

Your involvement is crucial in achieving the required number of signatures, and we appreciate the commitment you bring to advancing the principles of liberty.

To express our gratitude for your assistance, the Libertarian Party is offering to pay its own members \$3 per signature. This compensation recognizes your valuable time and dedication to the cause, making it an excellent opportunity for volunteers to contribute significantly.
