How does the newly constituted Libertarian Party of New York survive and thrive, while other political parties in New York state have come and gone?

The answer is to build our infrastructure so that we are sustainable for the long term. This means chartering county organizations in each of New York State's **62** counties and growing our enrollment to one hundred thousand **(100K)** strong by 2022.

Party outreach efforts have resulted in the chartering of twenty-four interim county organizations since April. We are nearly half way to our goal.

Enrollment numbers will be updated by the NYSBOE after the November election. In the past 7 months, we have enrolled over 1,000 completely new voters, well over 100 per month! We expect

forward to providing you with an exact count of our progress later this year.

Remember: the deadline to register or re-enroll and be counted as a Libertarian for 2020 is October 11th, 2019. Don't miss out!

Enrolling new libertarians is the single best way that we can promote our agenda which rejects the nanny state government and consistently defends the rights of the individual.

Thank you for your ongoing support for the Libertarian Party of New York.

In Liberty,

Jim Rosenbeck, Chairman
