Hello Liberty Leaders,

You are receiving this because at one time or another, you raised your hand to help out the Libertarian Party of New York. I'm writing to tell you the exciting news going on and a few ways you can help advance liberty in New York this year.

We Made History in 2018

Thank you to everyone who volunteered, donated and/or voted for Larry Sharpe and Andrew Hollister in 2018! Because of you, the Libertarian Party has gained ballot access in NY for the first time in our 47-year history.

Make Sure Your Party Enrollment is Accurate

Because of ballot access, enrollment with the Libertarian Party in NYS matters more than ever for running for office, participating in the party leadership, signing or witnessing petitions, and voting in primaries.

New York State Board of Elections has moved voters enrolled in the Libertarian Party from "Other: Libertarian" to "Libertarian." We've had many reports of inaccurate party coding from voters across the state. Take a minute to check your voter enrollment data here and CALL or stop in to your local county Board of Elections to make sure they get your data to the state Board of Elections correctly. Do not re-enroll online or you may not show up properly until after the 2019 General Election in November. [Check Your Party Enrollment Here](#)

Enroll 100,000 Libertarians by 12/31/2019

We have an ambitious goal this year. We want to have 100,000 voters enrolled in the Libertarian Party by the end of 2019! Enrollment is climbing rapidly. We need the help of every liberty supporter across NY to reach that goal. **Reply to this email if you want to help your county reach its enrollment goals this year.**

Even if you don't help more officially, you can help on your own. Can you enroll 5 friends or family members in the Libertarian party by the end of March? As of the time of this email, the NYS DMV still hasn't updated the online enrollment form to include the Libertarian Party, so print out copies of this PDF and enroll your friends and family today.
