## Statewide Petitioning Begins July 10th

Statewide petitioning begins on Tuesday, July 10, 2018. Will you help us get our candidates on the ballot? We need 15,000 signatures to get on the ballot in November. Due to challenges, we need 30,000 signatures in order to guarantee that we are on the ballot.

Here is what everyone should know about petitioning and getting our candidates on the ballot:

- **Let us know that you would like to volunteer.** If you have not done so already, sign our volunteer form to let us know you would like to help collect signatures and we can have more direct communication with you and get an idea as to how many volunteers we will have. [See here to let us know you would like to help](#). **Note that you don't need to sign the form to petition, just get out there and start petitioning starting July 10th!** This is just so we have an idea as to how many volunteers we have.
- **Petitioning portal.** We have a petitioning portal on the LPNY website ([see here](#)). This will be a central location for all petitioning information and links to the petition sheets. **This is where you can get the petitions (to**
