Cah,

'Tis the season for Festivus, the untraditional holiday that invites you to air your grievances against the government and celebrate liberty in the most liberating way possible! The Libertarian Party presents the Festivus Portal – your chance to let the world know what's been rubbing you the wrong way in government affairs. For a \$10 donation, you can register your grievance, and we'll tweet it out on our official national party account! But wait, there's more! The top three grievances with the most interactions will be transformed into exclusive merchandise available for purchase. Join our chair, Angela McArdle, for a Festivus live stream at 2:00 PM ET this Saturday, where she'll read through our favorite submissions. It's time to celebrate Festivus for the rest of us – let the liberty festivities begin!

How It Works:

Make a donation of at least \$10 to the Libertarian Party. Submit your grievance against the government through our Festivus Portal. Your grievance will be shared on our official national party Twitter account.

Once your grievance is shared, get friends, family, and fellow liberty enthusiasts to engage with your tweet. The three grievances with the most interactions (likes, retweets, quote-tweets) will be selected for exclusive merchandise creation.

The winning grievances will be transformed into limited-edition merchandise. Purchase these exclusive items to proudly display your grievances against the government!

Festivus Live Stream:

Join Angela McArdle for a Festivus live stream at 2:00 PM ET this Saturday. Hear your favorite grievances read aloud and enjoy the camaraderie of liberty-loving Festivus enthusiasts.

Visit the Festivus Portal at lp.org/festivus right now before the fun passes you by!

YES, I'D LIKE TO FILE A GRIEVANCE!
