Dear Andrea:

Thanks very much for your very nice letter of the 6th. I was happy to do what I could for the cause. Actually, as a veteran of libertarian groups, and political groups in general, I was ~~really~~ delighted at the great bunch of people that constitute the FLP. The lead editorial in the Lib.Forum for April will be my appreciative account of the FLP convention; and I think what I'll do is to publish the gist of my speech in the May issue (not of course verbatim since the speech wasn't written out.)

It was good getting to know you at the convention.

Best regards,

Murray
