

## **REPORT OF THE IT COMMITTEE OF THE LIBERTARIAN PARTY OF NEW YORK FOR THE EXECUTIVE COMMITTEE MEETING OF JUNE 14, 2021**

### **WEBSITE**

**PAGE UPDATES.** The following pages have been updated since the last report: Clinton County and Leadership. Candidates are also continuously added as soon as I receive their full information.

**E-MAILS LISTED.** Several State Committee members and County leaders still only have a personal e-mail address listed on the website, although it is recommended that we do not place personal emails on the website for security purposes. It is highly recommended that all state and county leaders get an LPNY email address.

**PARTY RESOURCES PORTAL.** This page is updated at least weekly on Tuesdays.

### **CONSTANT CONTACT**

**IMPORTS.** On May 25, 2021, 9,063 contacts were imported from the CiviCRM database (8 new, 9,055 updated). On June 1, 2021, 9,066 contacts were imported from the CiviCRM database (5 new, 9,061 updated).

### **LPNY E-MAILS**

It is recommended that all LPNY officials use an LPNY.org e-mail address. All 10 members of the Executive Committee have an LPNY e-mail address, while 39 out of 59 (66%) of all State Committee members have an LPNY e-mail address. Contact me if you want/need an LPNY.org e-mail address.

### **GRASSHOPPER**

When calling the LPNY, the script is as follows: *“Thank you for calling Libertarian Party of New York. If you know your party's extension, please enter it now or press 8 for the name directory. For Fundraising, press 1. For Elections and Campaigns, press 2. For Communication and Media Relations, press 3. For Chapter Development, press 4. For all other inquiries, press 0 and the next available representative will assist you.”* This should probably be updated at some point since affiliates are not called chapters anymore and perhaps individual titles should be in the recording.
