SB 10-042 National Popular Vote Interstate Compact – PASSED

- Gives Colorado's Electoral Votes to the presidential candidate that gets the most popular votes (Greater Los Angeles, CA has more than triple the population of Colorado).

HB-1177 “Red Flag” Law (Restricts a person's access to firearms) – PASSED

- Family or household members and law enforcement can file the petition in person or over the phone.
- No due process (5th and 14th amendments).
- Violation of 2nd (right to bear arms) and 4th (protection from unlawful searches and seizures) amendments.
- Puts law enforcement and “innocent until proven guilty” gun owners in danger.

SB-181 New Oil and Gas Bill Regulations – PASSED

- Oil and gas companies are already moving to more oil friendly states. Jobs have already been lost. Currently the industry provides:
 - 1 billion in tax revenue
 - 3.5 billion to GDP
 - 89,000 direct and indirect jobs
- 11/18 ballot Prop. 112, which was for Oil and Gas regulation, was rejected by voters by over 10 pts. SB-181 is even more restrictive.
- Puts a moratorium on new well permits while the new regulations go into place (Adams county has already done this).
- Changes oil and gas regulatory board (COGCC) composition. Reduces industry experts from 3 to 1 and adds environmentalists.

HB 19-1032 Common Human Sexuality Education Bill (3-12 grades) – **PASSED**

- Prohibits employing gender norms or stereotypes or excluding the relation or sexual experiences of LGBT individuals.
- Adds 8 representatives to the oversight entity to be comprised of at least 7 members of the LGBT community.
- Prohibits the state board of education from waving the content requirements for any public school except charter schools.
- Prohibits endorsing sexual abstinence as the primary or sole acceptable preventative method of birth control available to students.

We are the Official Recall Colorado Governor Jared Polis group.

For more information please go to www.officialrecallpolis.com and learn more about us and join in fighting this Leftist movement that is currently in control of Colorado state government. We don't feel that the agenda that is being pushed is representative of what most Coloradans want.

Join our Facebook group at www.facebook.com/groups/thepeopleofcolorado and learn how we can use the recall tool that our Colorado constitution has provided for us to use when elected officials don't act in the best interest of Colorado.
