Chair Harlos related that Agendas for this and all future meetings will contain information on links to: registration in advance for upcoming meetings, video from last meeting, Chair's timeline draft and master proposal sheet, working copy of amended Bylaws and Convention Rules, and committee's LPedia page. Chair has spoken at length with Party Chair and Executive Director concerning Moellman's report as to use of term "member" as currently stated in bylaws as might lead to potential confusion or violation. This matter being extensively looked at. Everyone currently is clear that term "member" means at a minimum it is someone who has signed the member pledge.

Now have a Rationale Subcommittee. Bracco and Latham have volunteered to serve. Will not make final decisions but will work with Chair on recommendations to committee as time nears to drafting actual report. Three members or more would be best to serve on subcommittee. If others, including Alternates, are interested, please let Chair know. This Subcommittee can be more than three.

APPROVAL OF MINUTES Corrections to be made. After completion, Chair will sponsor email ballot to approve. Draft 3 of Minutes to be corrected and submitted for approval by email vote at later date.
