Hi Caryn,

Yes, you read that correctly. Independent Party POTUS Candidate Robert F. Kennedy, Jr. is coming to the 2024 LPCA Presidential Convention!

Mr. Kennedy will be our Saturday Lunch Speaker and will also be participating in the POTUS Candidate Panel alongside Libertarian Party candidates Dr. Michael Rectenwald and Mr. Mike ter Maat. California will be the first (and likely only affiliate in the country) to give some of our Libertarian Party POTUS candidates the opportunity to see how they match up against a candidate outside of our "inner circle."

I'm also excited to announce that economist, physicist, legal scholar, author, and anarcho-capitalist theorist Dr. David Friedman, son of the renowned Nobel Prize-winning Dr. Milton Friedman, will be joining us!

Tickets are limited for all events, and our group rate rooms are almost at capacity, so if you haven't purchased your package or ticket or reserved your room, don't delay!

**Reminder:** If you're a dues-paying member in good standing who plans on participating in business, you should pre-register for credentialing ease (the sooner the better).

**Important:** Buying a package or add-on does *not* automatically pre-register you for business. It must be done separately.
