Caryn Ann,

Your past support for Ballot Access has played a crucial role in advancing the cause of liberty, and we are reaching out to you today with an exciting new initiative that needs your support ASAP.

We are launching a targeted fundraising campaign to directly fund petitioners in three crucial states: **Kentucky, New Mexico, and Ohio**.

Normally, we would have to pay **\$10/signature**, which would cost us over \$130,000 to gather the needed signatures for all 3 states. But Libertarians are stepping up to the plate and willing to do this for **\$3/signature**, saving the party 70% in labor costs for ballot access!

## Rush Your Best Gift to Ballot Access NOW!

### Why Kentucky, New Mexico, and Ohio?

In our efforts to maximize the impact of your Ballot Access donations, we have been tackling as many Ballot Access efforts in partnerships with their respective state parties as soon as we are allowed to begin collecting signatures. These states allow us to start our efforts in 2023, greatly increasing our chances of gaining ballot access.

### Your Support Will Amplify Our Reach:

We are aiming high with a fundraising goal that, with your help, can be exceeded. If everyone who receives this email contributes, we can not only

meet our initial target but also extend our reach to fund petitioners in additional states. Your support is the key to unlocking new possibilities for the Libertarian Party.

### How Your Donation Will Make a Difference:

- Empower Petitioners: Your contribution will directly fund petitioners on the ground, enabling them to collect the signatures needed for ballot access efficiently.
- Expand Libertarian Influence: By securing ballot access in these states, we open the door to greater representation and bring Libertarian principles to a broader audience.
- Catalyze Change: Your support goes beyond funding signatures; it fuels a movement that seeks to challenge the status quo and promote individual freedom and limited government.

### Donate Now and Be a Catalyst for Change:

Thank you for your continued dedication to the ideals of the Libertarian Party. Together, we can achieve remarkable results and make a lasting impact on the political landscape.
