Hello Gregory,

The Libertarian Party of Michigan is blossoming with activity in spite of this nasty winter weather:

First, our convention committee has finalized most of the plans for our Spring Convention. As previously reported, it will occur Sunday, March 13th, at Weber's in Ann Arbor. We have added a Saturday night reception that is sure to be a good time for all who attend it as well. **Sunday's business meeting will cover the selection of the LPM delegation to the LP National Convention in Reno on Memorial Day weekend, as well as the approval of updates to our state Platform.** We will also be having a Benefactor breakfast and a luncheon with an LNC Candidate Panel. Packages for the weekend are priced at \$45 for the Luncheon, and \$125 for a Benefactor Package that includes the Sunday breakfast and lunch. Discounted rates are available for couples! [Click Here to learn more and register.](#) Please register before March 1st, or prices WILL go up on you!

If you are interested in serving as a delegate to our convention, please attend your [Local Convention](#), which will happen now through February. Finally, do not forget to [Join the LPM](#) by February 11th at midnight!

Next, the Libertarian Party of Michigan Legislative Committee would like to inform you of our opposition to [HB 4006](#).

This bill amends "1927 PA 372" and allows elected officials to carry firearms into publicly owned premises. We feel that the law was not amended enough or should be scrapped entirely and should in fact allow anyone from the general public to carry as well. The government should not be able to pick and choose who or when to carry a firearm for protection.

If you don't think elected officials should have more rights than you do, read how you can help stop this bill [Here](#).

Lastly, we are trying to start a new local affiliate in Lapeer county! We have several activists who will be meeting this Saturday, January 29th, at 8PM, at Cheers in Lapeer, 440 N Saginaw St, Lapeer, MI 48446.

They will get the ball rolling on affiliating the county and actively spreading the message of Liberty in Lapeer. Event details are [Here](#). If you are coming, don't forget to bring your freedom loving friends!

That is all we have for you today, Gregory. Thank you for taking the time to read our message.

In Liberty,

Connor Nepomuceno
