## Most Important Things You Can Do in the Next 20 Days

We have incredible momentum right now with Larry Sharpe's campaign for Governor of New York. In these remaining days, there are two critical tasks we must all help with:

1. Building name recognition for Larry Sharpe with every New Yorker
2. Getting as many voters as possible to Larry's remaining events.

We have about 32% name recognition right now, and 22 days left to boost that significantly. This will happen if all supporters are helping in every possible way.

Larry continues to hold events across New York state in a grueling campaign to meet as many voters as possible. This is his map of voter events as of October 12, and he's ramping up even more. We need to do the same.

## Events held to meet voters through Oct 12th, 2018

There are many ways we can all help Larry in these remaining days.

This album on the main campaign page provides many ideas, but come up with your own ideas, too. Be bold, be creative, be persistent: [Grass Roots Countdown for Larry Sharpe](#).

As you take action in the field with voters (sign waves, handing out campaign literature, or knocking on doors, for example), be sure you log your location and time spent so we can all watch how our GrassRoots map helps Larry turn New York State Gold!

Start now – add recent time you’ve spent reaching voters in person: [Log Your Grass Roots Field Time](#) Then check daily to [Watch as #TeamSharpe Turns New York Gold](#)

Don’t let a day go by without reaching more New Yorkers. Don’t have a sign? Make one. Don’t hear Larry Sharpe on your local news? Tag the main campaign page in comments on their social media posts. Call into the local radio call-in shows. Write letters to your editor. See some place that needs more awareness of Larry Sharpe? Make it happen. Be the reason that your county turns GOLD on November 6th as those election results come rolling in.
