

Petitioning Volunteers Needed

In order to get our statewide candidates on the ballot for 2018, we need to collect 15,000 signatures. In order to ensure ballot access due to challenges, our goal is to collect over 30,000 signatures.

The petitioning period is July 10 through August 21, 2018, a period of 43 days. This means that we need to collect 698 signatures per day. If we have a team of 100 volunteer petitioners, each would only need to collect 7 signatures per day. The goal is achievable as long as we have a team in place to help us.

Put another way, if 35 people collected 20 signatures each day, we would have 30,100 over the petitioning period. Even if you can only collect a small number of signatures, we can still use your help. Every signature helps us get closer to our goal of 30,000. **This is doable. We have strength in numbers.**

Are you in? If so, please let us know that you are willing help us petition by clicking on the button below and we can get you the information when the time comes to petition!

Note: A previous e-mail sent on April 30 had a broken link to the volunteer sign-up form. The button below now works:
