FOR IMMEDIATE RELEASE

Title: Libertarian Party Files Double the Required Petition Signatures to Get Larry Sharpe on the Ballot

Albany, N.Y. – At 1:30 p.m. this afternoon (Tuesday, August 21, 2018) the Libertarian Party of New York filed petitions at the New York State Board of Elections in Albany to place Larry Sharpe on the ballot this November.

Over 31,000 registered New York voters signed, indicating they want another choice in 2018. LPNY Chair Jim Rosenbeck said “a vote for Larry Sharpe in November is a vote for personal liberty, economic opportunity and hope for the future of New York State.”

Larry Sharpe has travelled extensively throughout New York State holding meet and greets, town halls, and interviews, including many smaller towns and cities that gubernatorial candidates don't normally campaign, striving to rethink government and empower the people of New York. He is speaking to larger groups as his campaign continues and he has also garnered a strong social media following, outperforming all of the incumbent governor's opponents on Facebook.

Mr. Sharpe is passionate about addressing all the issues facing our state and people and he wants to hear from as many New Yorkers as he can. Among these issues are second amendment rights, economic opportunity, reducing the tax burden, and ending the culture of corruption in Albany.
