Historical,

As part of our ongoing commitment to better understanding the priorities and concerns of our valued members, we are excited to invite you to participate in a series of surveys this week. Your input is crucial in shaping the direction of the Libertarian Party in 2024, and we want to ensure that your voice is heard.

To kick off this survey series, we are focusing on identifying the issues that matter most to you. Your insights will guide our efforts in addressing key concerns and refining our party's messaging and focus to truly represent our memberships perspectives.

This brief survey will only take a few minutes of your time, and is the first of five surveys you will receive this week, each focusing on different aspects of our party's platform and operations.

Thank you in advance for taking the time to share your thoughts and priorities.
