

FREE LIBERTARIAN SENATE CAMPAIGN

June 16, 1976

TO: Members of the State Committee

FROM: Martin E. Nixon

Enclosed is a copy of the official political calendar. It includes everything you've wanted to know but were afraid to ask about the schedule of events. The section labeled "Independent Nominations" is the part that applies to us. Campaigns for local office should keep in mind that an official acceptance of an independent nomination must be filed along with the petitions.

Also enclosed is a xerox copy made from the mechanicals for the Senate Campaign brochure. No one can complain that I don't let it all hang out. The printed edition will be in brown ink on white stock.

Following is my schedule for the next month or so:

- June 20-22 - State Committee meeting, WQBK, and other public spectacles. (Albany)
- June 23 - FLP office (New York)
- June 27 - Christopher Street Liberation Day (New York)
- June 30 - FLP office
- July 7 - FLP office
- July 8-10 - Herniorrhaphy (New York Hospital)
- July 11 - Savadel fund raiser (Nassau)
- July 18 - State Committee meeting (Highland)
- July 20 - New York County meeting

cc: County Chairs
