Dear Mr. Klasman:

As you know after our conversation last night, I'm unfortunately not able to make the meeting of the FLP on March 30th. One of us didn't plan our dates properly last fall!

Keep me on your list for another convention, please. I'd be delighted to attend. No honorarium would be necessary - I'm glad to contribute what time I can afford to the cause. And the expenses might amount to a round-trip ticket Stamford, Conn. on the train, as probably I would fly my plane up to a suburban airport in that vicinity.

If you or any of the other FLP members are down my way, please don't hesitate to give me a ring - I'd like to meet any of you.

Sincerely,

Roger Lea MacBride
