Keep Us Moving Toward Our Goal!

Dear <<First Name>>,

We have already reached 12% of our monthly pledge goal! We greatly appreciate the generosity of all donors who have pledged to date. We continue to capitalize on the momentum from Larry Sharpe's gubernatorial campaign, and his two "Full Sharpe" tours of every county in New York State. We continue to grow enrollments, and to create county organizations across the state.

Please help support our ongoing enrollment, outreach and communication efforts, and our fight to retain ballot access. Join our [Liberty Pledge Honor Roll](#) of monthly donors and pledge as generously as you are able!
