Records of Past Meetings: The minutes of the 15 April meeting were approved.

Records Archive: Caryn Ann reported that she has not been to the storage unit recently.

Categories: Caryn Ann reported that she is still working on images/files.

Site Statistics: Ed reported that traffic has been somewhat higher.

URL Format Change: Joe noted that it finally happened. Ed reported that he is following up on getting Google to re-index the site. Joe asked about the possibility of changes to the format of the 404 page; Ed said it can be changed as long as the link to the new location is kept at the top.

Featured Article: Joe reported that this was switched to the article about the February 2020 LNC meeting.

Vicki Kirkland Material: Andrew reported that Audrey Capozzi thinks everything is from since Vicki moved to Florida, so it probably doesn't include any NY material.

Utah: Caryn Ann reported that Joe Buchman has been uploading some Utah material.

Yahoo Groups: Caryn Ann reported that she has copied the files from the backup server to her backup disk.

Scanning Job: Caryn Ann and Joe have each downloaded all of the files; Joe reported that there are approximately 1600 files in all the subdirectories combined; these still need to be sorted out and renamed. Caryn Ann report that we owe about \$50 for this job, and that once Colorado businesses reopen we will need to pick up the originals.

Nolan Collection: Caryn Ann reported that she would still like to visit with Joe Buchman about this, but that will have to wait until the virus is no longer a concern.

Ben Leder reported that he found an article by Nolan called "Teaching the Horse to Fly", based on a speech to the 2006 Ohio convention. He was encouraged to post it to LPedia as either an article or a document, with a link from the Nolan page.

LPedia Privacy Policy: Ed noted that there is a link to a privacy policy at the bottom of each page but we don't actually have one; he volunteered to draft one.

Future Meetings: The next meeting is scheduled for 20 May 2020.

The meeting was adjourned at 4:42pm Mountain time.
