## PARTY HISTORICAL PRESERVATION COMMITTEE

MEETING SUMMARY November 21, 2018

**Date and Time:** Wednesday, 21 November 2018 at 4pm Mountain time

**Where:** Online: Zoom

**Committee Attendees:** Joe Dehn, Ed Fochler, James Gholston

**Absent:** Caryn Ann Harlos, Andrew Kolstee

**Other Attendees:** Ben Leder

The meeting was called to order at 4:41 pm Mountain time.

**Site Statistics:** Ed submitted an updated report by e-mail. With the election season over, it seems that traffic is back down to about 100 users per day.

**Records Archive Update:** Caryn Ann posted a message inviting people to make donations to buy additional shelving, which could allow us to make better use of the existing space to store some state party material.

**General LPedia:** There was a discussion of the name of the name of the committee that initially formed the national Libertarian Party. The recently posted “LP News #1” and the minutes of the 11 December 1971 meeting both refer to this as the “Committee to Organize a Libertarian Party”, but there are several references in LPedia, in both page names and text, to “Committee to Form a Libertarian Party”. It is possible that the latter name is simply an error that crept into LPedia at some point, perhaps copied from some earlier reporting that was in error or meant only to be an informal reference. James has already renamed the main article on this subject (leaving an indirect). Joe said that if no evidence turns up that “Committee to Form” was a name actually used at the time, he will go through and fix all the rest of the references.

**Future Meetings:** The next meeting is set for 7 December.

The meeting was adjourned at 5:07pm.
