Historical,

The first hurdle we face every election cycle is simply getting our candidates on the ballot. Today, I am reaching out to you with an exciting opportunity to help us overcome that goal.

We are currently in the crucial phase of collecting signatures for ballot access, and your assistance can make a significant difference. To streamline this process and encourage active participation, we are implementing a signature collection initiative that offers \$3 per signature collected.

Here are the key details:

Objective:

Collect signatures to support the ballot access efforts for the Libertarian Party in the following states:

- New Mexico- 3,500 signatures
- Kentucky- 5,000 signatures
- Ohio- 5,000 signatures

Compensation:

\$3 per raw signature, no less than 100 signatures per participant.

How to Participate:

Sign up to participate in the signature collection initiative by filling out this Google form:

Petition for Cash

Once you've signed up, you should receive an email from the Ballot Access Committee that will help you to familiarize yourself with the guidelines for collecting valid signatures.

After you've enrolled and received the pertinent information, it's time to hit the streets, attend events, and engage with your community to gather signatures.

We have a limited window, so act today!

Payment:

Payments will be processed promptly upon processing of the submitted signatures.

Resources:

We will provide you with informational materials, guidelines, and support to ensure a smooth and successful signature collection process.

Your involvement is crucial to our success, and we appreciate your dedication to the principles of liberty. Together, we can make a difference and ensure that the Libertarian Party has the representation it deserves.

If you would like to fund our efforts to get Ballot access in all 50 states, please consider donating to the Ballot Access fund here:

Thank you for your continued support and commitment to advancing the cause of liberty.

Best regards,

Dustin Nanna
