Presidential candidates **Dr. Mary Ruwart** and **R. Lee Wrights** will be our featured speakers.

Mary Ruwart may be best known for her book, *Healing Our World*, about political freedom of choice, currently in its third edition. *Healing* has been translated into Russian, Serbian, Croatian, Lithuanian, and Romanian. Mary is a former LP Presidential candidate is now on the LP National Committee.

R. Lee Wrights is founder and editor of *LibertyForAll.net*, America's premier online libertarian newsletter. Lee has been active in the local, state, and national Libertarian Party organizations since 2000. He has been a member of the LP National Committee, and is a lifetime member of the Libertarian Party. Lee is a current LP Presidential candidate.

In addition to the regular party business of electing officers, we will discuss the future of the party, and how we will retain ballot status. All party members will be given the opportunity to briefly introduce themselves and tell us about their interests.
