

The Arizona Libertarian Party Newsletter – Q2 2023:

Quarter 2 has been a lot of tedious cleanup work in the background for the AZLP. We implemented Microsoft Teams and began transferring and organizing party documents, had group work sessions to outline and create procedures and training documents for the different committees, began work on the 2024 State Convention, and implemented an accounting system for our finances. All this work was done to create a strong infrastructure within the AZLP, so we can shift our focus to the real work of growing the party and supporting candidates.

 - We would like to get more Candidates to run for 2024, so if you or anyone you know are interested, please sign up at: **AZLP - Run for Office**

- **County Organizing**

- To all our volunteers – be on the lookout for information about all the events we have mapped out from July through September to help get signatures for ballot access at Greelee, Graham, and Apache Counties. We will need lots of boots on the ground to help us meet the signature goals.
